

All is covering up the most inconvenient crisis by spreading gun smoke at anywhere
By anyhow,establishing emergent military truce by knowing big and deep deception.

2014/7/29

Every man must decide whether he will walk in the light of creative altruism or in the darkness of destructive selfishness.

I submit to you that if a man hasn't discovered something that he will die for, he isn't fit to live.

-Martin Luther King, Jr.-

As for Israel's brutal **Gaza bombing**(7/15) and **downing of MH17 Malaysia plane**(7/17)in **Ukraine**,global journalism succeeded to make global wide attention to those events.

Conclusionary to tell,both may be conspired uniquely by power of the **WEST's Oligarchy** who has been hating Jews,Muslims,Russian and truth accuser to vanish them in **global chaos by operation EndGame**. As has been throughly and repeatedly being explained in **777true.net**,the most precedent and emergent problem of now world is **climate change risk**,of which full fixing would need **global revolution** of more than 80%CO2 cut and **Arctic Cooling Engineering**.Above all,they has been hating this fatal facts due to possibility of causing own ruling regime decline. That is,**revolution is more terrible than defeating war**<Konoe,Japanese imperial member in world war the 2nd>.Our real enemy is not Jew, Muslim,Russian,but the **WEST oligarchy** who has been guarded by bribed mass media in **WEST the upside down Lie Ruling Nations**.

The scenario is always the same

Z is hidden,but real criminal to do
bad to Y.

[1] : **Why has they been hating Russia without hereditary regime.**

(1)**global ruling by the hereditary regime(Bilderberg).**

(2)**old conservative establishment vs new rising powers**

So called **BRICS** the new advanced nations has common feature of nothing historical hereditary regime.While in WEST,USA with Rockefeller,UK imperial,EU Rothschild and nobility hereditary families has been ruling <**the WEST's old family oligarchy**>.The **WEST nations** has been **ally** with kernel of **the hereditary nobilities**. **They has been substantial ruler of this world !!!**.The leaders in those nation with **class structure**(they had been accelerating the global capitalism ruling) are servants of them,but not dedicators to people.

<http://www.777true.net/Nothing-Betrayals-could-Turn-the-Upside-Down-World.pdf>

While some of the leaders in such as BRICS might be out of their servants.It means nation independent or not conquered.Note BRICS tried to establish **new own banking system** without IMF,which had caused their anger especially against President Putin. **M.Gadaafi** (Libya) was assassinated by WEST due to trying to establish **Gold Standard** in Africa. Following are evidences(in web) that they has been entirely plotting to make Russia bad. On the other hand,Russia has been trying to disclose evidences.

Following are entirely authors opinion.but not summary of above page.If international opinion would be wrong on the MH17 downing,that is,they become to consider pro Russian separatists was criminal,then **Kiev** government(mapet of WEST) would get international allowance to invade East Ukraine(**Donetsk**).Which might become terrible suppression or massacre against pro-Russia group.This would induce **new cold war** between Russia and USA. This is told a plan made by **Rand Corporation** in USA in order to **pull out Russia** for war making.Then president Putin will not support and save pro-Russia group.Because it has possibility of becoming **world nuclear war the 3rd**.

.....
In coming years world where **climate would become more wild** as years goes on,and everyone would become noticed the **extraordinariness**,in the matter of course,people would hate elites who has been terribly betraying people.And if nothing countermeasure,there would be nothing, but **final massive desperate**,which might make elite to **trigger nukes**.This is nothing,but most miserable stage caused by **the global inability**<see[4], [5]>.

<<**historical class struggles and the destiny of Jews in the upside down world**>

<http://www.777true.net/Essentia-Criminal-for-Causing-the-Massive-Palestinian-Refugee-is-EUROPE-USA.pdf>

Telling from historical summary, Jewish people were messengers for liberating mankind from ancient **barbarianism ruling** with violence without law ruling toward **democracy of justice, truth and philanthropy(God)**. These are religious teach of Moses ten commandment, **Judaism, Christianity and Islamism**. These excellent teach had been welcomed in many peoples. On the other hand, as the consequence, they had become hated by **nobility hereditary rulers** in WEST feudalism and militarism nations. This hatred is nothing, but the origin of **right wing** who have been against **Jews the outstanding revolutionary ability in every field** in the upside down WEST. The last decisive and brutal persecution on them was that by **NAZIS**. [NAZIS was founded by the USA oligarchy in order to perish Jews !!](#)

As the consequence, establishing Israel was initiated and to cause today's perpetual dispute between Palestine. After all, **Israeli of today** was destined to **dispute with Muslim nations**, which has been **proxy wars** by hidden West who has been **hating** also **Islamism** and **stealing oil** and etc resources in Africa. That is, Israeli had been trapped in the worst hell. Now they have been **surviving by accepting all hatred against them with aid of NAZIS reincarnated in USA the most upside down nation.**

<http://www.globalresearch.ca/netanyahu-kills-palestinian-children-israel-bombs-gaza-childrens-hospital/5393292>

Netanyahu's killing Palestinian children may be an indication of Israeli desperate situation.

<http://dissidentvoice.org/2014/07/on-israeli-defeat-and-the-future-of-jewish-politics/>

Israel can not solve its problems by military means. The situation is desperate for the Israelis.

They have started to realize that they are stuck within a political, ideological and cultural stalemate. Israel is unable to conjure an image of a resolution. There is no prospect of future for the Jewish State.

The desperate fights **between theists**(Israel and Muslim nations)is insidious trap by WEST.

Final relief for both Israeli and Palestine(Muslim nations) is to notice **real their common enemy**(**the atheists**)to stop barren and absurd long disputes by anymore and to debate toward solution for **real common liberation to co-live**(**for theists**).

(2)**The original purpose of Islamism was also establishing decent social order by concrete ethics with teach of holy war against invaders.** So long as author's reading on Al Qur'an,nothing contradiction and no compelling religion,on the contrary,reasonable, generous and merciful.As the historical fact,**era after Muhammad** ,Islam nations accomplished unprecedented enlarging **prosperity** with the religion in their politics,culture and civilization. <**the first Theocracy establishing in the mankind history**>.It should be noted parallely with also **Democracy** establishing in Greece.Though, it is frequent and urgent WEST nations invasions(the crusade wars,.....,establishing Israel by the false promises and following wars between Israel)in Muslim nations that might have caused them something ungenerous against WEST.<An expert(3) point out the tragedy due to separation between politics and the religion compelled by WEST power in modern era>

However after Muhammad revelation,some actual rituals in the Muslim nations seem author rather disagree with the original teach. A typical example may be excluding Judaism and

Christianism and some rituals seems without generous and merciful. Some rich oil nations are building extravagant towers, but not spending zahah for poor nations people. (but exception is the colonel M.Gadaafi, who were assassinated by WEST).

<http://www.pakalertpress.com/2012/06/12/why-they-killed-gaddafi-a-story-you-must-read/>

As radical fights in Middle East and etc with those consequence, people in not Muslim nations are brain washed to fear and hate Islamism.

(3) **THEOCRACY: Why has Islamism been resist against Modern Europe** <in Japanese>.

<http://jfn.josuikai.net/josuikai/21f/60/kt1/kt.htm>

Sultan of the Ottoman Empire the end of a great Islamic empire had suffered a decisive defeat at last. it was that of 1918. Istanbul, the capital is occupied, the Sultan was taken prisoner. And most of the former territory of the empire was split between the two winner of imperial British and France.....

*In other words, **Islam I was kept away from politics**. In another way, it has meant a decisive groove that was made between the political system and the real philosophy of **Islam that singing match of politics and religion**.*

In authors observation on the WEST ruler, their most hated matter is **class-less regime**, which is nothing, but denying their being itself. Therefore, perhaps, the WEST rulers (including Israeli now the proxy) has been torturers against Muslims since 1918.

Note the kingdom nation such as Saudi-Arabia, Qatar are certainly Islam nation, though always with the conservative WEST.

(5) **Religion as exact Science**.

<http://www.777true.net/Proof-on-God.pdf>

For most of long his life, author had been atheist. But finding **almighty logic** of quantum vacuum had decisively turned him. At that time, author's the most agony was **evil politics ruling**. Then by reading the Bible and Al Qur'an, he could get some important relief.

It is very simple, but exact teach of **justice, truth, philanthropy (= God)**. In other world, **now secular world** has been being ruled by **Satan (injustice, lie, hatred toward chaos)**. Those are just **prophesied by the holy scriptures. Religion is political and logically genuine !!**. Then he observed **the established religion societies**, and found them **too conservative** due to long historical formalization. Now he wish their taking **global solidarity policy** of fighting religion against the wrong ruling world <**Liberation Theology**>. Especially **the climate change** has been becoming fatal, which would need global revolution. God don't want coming doomsday, but realizing our massive repentance.

(6) **Perverse Personality in upside down WEST nations.**

Loki in **the Norse Myth** is the most obscure of trickster God. He was perverse and to have caused destruction at last. The world now has been substantially being ruled by Germanic ruler who seems to have been perverse against Religious Culture. After all, they will not substantially admit sin of invasion Muslim nations and of persecution on Jew to force Israel establishing, and deadly climate collapsing. Now in the world, most media has been reporting contemporary regional disputes, but never survey deep origin. Simply to tell, all of those has been hiding the **substantial original sin of WEST nation**. At this time of MH17 crash and brutal Gaza bombing, many children were remarkably killed in there. This might be a sign that they would not save future world. As are such ways, so we must survey necessity of **drastic change in personal management** in global politics and business.

Those who follow heavenly will do politics righteous, while not follow do forcing... <Mozi>.

[4] : **Now the world has been being ruled by big diligent but not by big ability.**

(1) **diligent but inability.**

Accusing others is not good, because they would hate accuser. However frank opinion is decisive to save security of this world especially in climate crisis. After all, our world at now has been entirely managing by those diligent peoples, but inability.

Religion teach is simple, but exact as justice, truth, philanthropy (righteous = God) toward **order**, while **injustice, lie, hatred (Satan) is toward disorder (unrighteous = destruction)**.

Now the world with many regional disputes has been going toward climate hell, which is nothing but destruction caused by inability of our leaders at now. They are certainly very diligent to manage conserving capitalism regime, but inability is too evident. **Because nothing is more inability, but causing own destruction !!!**.

(2) **A German general's theory on Personal Management in military org.**

Author failed in searching exact citation source, but the content is as follows. There are two fundamental measures for evaluating military men <able, and diligent>. As the consequence, they are categorized in 4 types.

rank	ability in work	attitude for work
general staff officer	ability	diligent
field commander	ability	non diligent
liaison officer	inability	non diligent
nothing job	inability	diligent

No job is a paradox. Because most of people believe it diligent that accomplish work. The explanation is as follows. Person diligent, but inability **fail to stop error works**. If it would be failure, it would be better to do nothing by being non diligent. After all, fact denayer could not be ability, but **only fact accepters could be ability**.

[5] : **How to turn the upside down world ???!**

<<Problem and Solution in Maxims>>.

The ultimate tragedy is not the oppression and cruelty by the bad people, but the silence over that by the good people.

-Martin Luther King, Jr.-

It always seems impossible until it's done.

-Nelson Mandela -

.....P.Drucker

Not abandoning, but adhering has been causing this world toward hell <now world is ship sinking slowly>. Then what to do for making **one touch of nature** ?? This is the fatal question to be or not to be. Convert to small rescue boats from gorgeous **Titanic** now sinking

[6] : How to grow up new leaders.

(1) The Cancer Focus in personal management.

Revealing big failure sometime causes position change in personal management. This is very natural in business without hereditary. **Hereditary regime may be one which can not change in personal management.** Thus it becomes evident that why the world could not change even with facing the deadly crisis. Note those who has been connecting the regime are also the same. Note **democracy and theocracy** is the same in examining and employing **person ability** for managing politics in organization.

Those who follow heavenly intension do politics righteous, while who not follow do politics forcing.....<Mozi ancient Chinese Philosopher>.

(2) How to solve it.

* *An individual has not started living until he can rise above the narrow confines of his individualistic concerns to the broader concerns of all humanity.* -M Luther King.Jr

* *Being simple is the supreme sophistication.....-Leonard ds Vinci-*

* **Simple** can be harder than complex. You have to work hard to get your thinking clean to make it simple. But it's worth it in the end because once you get there, **you can move mountains.** -Steve Jobs-

* *Difficult problem should be divided into portions* -Rene Descartes-

(3) An important method that can cause you feel this universe small.

Q: Can you explain why this universe could begin ?.

A1: If beginning was something non-nothing, it could not be told beginning.

Thereby beginning must be nothing.

A2: If beginning was nothing, nothing must be nothing forever.

So that this universe can not be at all. This is contradiction or **incomprehensible !!!**

A3: **simple, but exact revolutionary turning.**

nothing must be nothing forever. This is wrong.

Because nothing never can prove being of exact law of "nothing must be nothing forever." That is, **nothing is also nothing law-itself.**

That is anything could be possible by **nothing law (=almighty law=God).**

Once non-nothing world was initiated, physics law was to rule the universe.

*The key-point is **causality law broken (incomprehensible)** at the beginning.

(4) **How to grow up new leaders in haste.**

Most of the leaders in the world are certainly diligent in their business, but inability to evade **planet extinction**. Because time for salvation from planet extinction is not so much left.

Those leaders will not declare the planet emergency, but would substantially be silent.

As is such way, all of you are certain to face climate hell world before long.

Thereby we absolutely need to grow up new leaders.

This is the emergent decisive task of you all at now !!!.
