

Behind Big Crisis is Big Chance to Transit.

2017/9/14

Telling such as “*disaster is a chance*” is against moral, however disaster having already occurred must be turned something useful for coming future. While any strong enemy has a deadly weak-point, against which we could attack toward win !!!

A : Arctic Cooling Engineering to Stop Methane Catastrophe.

B : Recovering Stable Climate by Rapid 80%CO2 Cut as Global Policy.

(1) **The Dark Story.**

<It is climate fact silence by scientists that has been causing fatal risk of us all>.

Sales goods of scientists is truth, then not truth could not be garbage, but danger.

Some silent leading scientists might be worrier sympathizing massive ignorant people now facing awful climate reality ?. Some silent leading scientists might be supremacist disdaining massive those. While some has been claiming **AB strategical climate engineering policy**, even as for which, they has been ignoring <AB could not be nothing, but **global revolution**>.

Now **climate diagnosis** (nothing effective action shall cause global **climate hell extinction**) had already been **determined**. Accusing politician would cause nothing decision, because also they are substantially ignorant on the deadly climate reality. **Then who must take the substantial decisive responsibility ?**. Why could they have declared deadly climate fact ?. They may have been threatened to lose their job ?!. This is a very dark story. Scientists must notice own narrow minds. Shocking clinic is necessary.

Racists, frauds, and misogynists: Meet the rogues' gallery of Nobel Prize winners.

(2) **The Delightful Scenario ?!**

Climate scientist's work now had substantially become nothing, because they could declare nothing **effective fact diagnosis**, they will not complete their final decisive task. Now their being has become threatening without care for us all facing worsened climate toward hell.

.....
Once all they must be lay off. And they should be reemployed as **climate engineer** with oath of **telling climate fact toward climate engineering**. This is not lawless threatening, because it is they who could not have told climate fact. But this is their salvation from liar to honest .

If we could accomplish in sufficient employing, we could finally win, if not, we would have been defeated in climate hell. This is final judgment.

[1] : **Recent Worsened Climate Actuality.**

① **Japan(authors region and nation).**

It is **marching of dairy record breaking** in stronger rain fall causing stronger floods,longer cloudy days without sun light(damage in agri-products),unprecedented stronger snow fall, etc,....In fact,last year,author could get so so **solar electric power**,but at this year,it frequently becomes that of company.Solar heater kettle becomes that of gas company.Now he should make decision to convert **to wind power**,however my home at now is very weak to activate. Huum !!!,now once again,he must come back to be the BWG engineer !!.

Irma and Harvey lay the costs of climate change denial at Trump’s door

<https://www.theguardian.com/world/2017/sep/10/hurricane-irma-harvey-climate-change-trump>

The president’s dismissal of scientific research is doing nothing to protect the livelihoods of ordinary Americans.

First, warmer seawater tends to promote stronger storms.

Second, a warmer atmosphere can hold more water vapour, which can result in heavier rainfall.

Third, Sea levels rising globally, make storm surges bigger and deadlier.

Hurricanes Harvey and Irma, and the storm of climate denial,September 8, 2017

<http://www.peoplesworld.org/article/hurricanes-harvey-and-irma-and-the-storm-of-climate-denial/>

As Texas deals with the aftermath of Hurricane Harvey, Florida braces itself for Hurricane Irma, and Hurricane Jose strengthens in the Atlantic Ocean, the effects of climate change are once again on display. The Trump administration continues to deny what scientists have been saying for decades: that global warming would increase these types of weather extremes, with devastating results. Those results are plain to see, and there's still more to come.

Hurricanes: in the US, Irma and Harvey could cost \$ 290 billion, latribune.fr :11/09/2017,

Damage related to business interruption, infrastructure destruction and agricultural losses, in particular, could cost up to 1.5 percentage points of GDP in the United States, according to the calculations of a service weather forecast.

[3] : **USA is the Origin of Climate Denier<EXXON-MOBIL with Rockefeller Imperial>. Revolution is More Terrible than Defeating War→Operation EndGame. <Origin of the Hate by the Wicked Spirit in High Place>.**

Now author try to reveal hidden insidious hate power against people.

It is desperate endeavoring to entirely **conserve the ruling power at now**.

① It is **Jewish People** who had endeavored to liberate mankind from historical **barbarous violence ruling** by kingdom regime. Moses preached justice without violence. **Christ** preached people *justice, turth, and brotherhood* toward co living <**democratizing**>.

② **NAZIS** was established to persecute Jew (the revolution race) by American Capitalists. NAZIS establishment was accomplished by Germany people's **hate power** against Jew insidiously conspired by the wicked spirit in high place (the Capitalist elite). They hated Jewish people who concerned **democratizing revolutions** (Christianism, French, Russian Revolution, etc). Those are so say a **class struggle** (K. Marx). The key word is that **Revolution is More Terrible than Defeating War** <F. Konoe Japan imperial>.
<http://www.777true.net/The-Rockefeller-File.pdf>

Above all, they hate own **status decline** by democratizing

- ③ USA Imperialism machine=CIA-military industry complex **the warmonger** was established by secret importing NAZIS person with war technology after the war(Operation paperclip). Those are told private military of USA emperor **Rockefeller**(German American).
- ④ By secret CIA operations of **Gradio and Condor**, Europe and South America had become ruled by American Imperialism after the war. Except Russia and China(the former communism nation), the world could be told to be substantially ruled by USA. Now hidden global government is called **Bliderberg Group**(secret society of global elites of nobility and wealthiest family **hereditary power**). Evidently they are against democracy. Their global strategy is told to be decided in their secret annual meeting.

⑤ Operation EndGame in facing Climate Decay toward Global Extinction.

(a) **Operation EndGame**

This world has been being ruled by Bilderbergers with Rockefeller the General Head Quater of **NAZIS**. Their final aim is not peace making, on the contrary, to conspire **eugenics world** for the few elite's surviving(**Operation EndGame**). This might be due to **capitalism instinct**.

For the New World Order, a world government is just the beginning. Once in place they can engage their plan to exterminate 80% of the world's population, while enabling the "elites" To live forever with the aid of advanced technology. For the first time, crusading filmmaker ALEX JONES reveals their secret plan for humanity's extermination: Operation ENDGAME.

<http://netattic.net/unbelievable/operation-endgame/>

<http://www.youtube.com/watch?v=x-CrNlilZho>

(b) In 1970s, **EXXON-MOBIL** (the emperor Rockefeller) had noticed, CO2 emission would cause climate destruction. Then they might have decided to conceal it in order to evade change in massive oil consumption regime. Note this is nothing, but *revolution is more terrible than defeating war*. Thereby, it could not help to call them *wicked spirit in high place*.

http://www.msnbc.com/greenhouse/watch/exxon-knew-four-decades-ago-about-co2-536557123707?utm_source=climatenexus&utm_medium=referral

(c) In 1990s, USSR had decided own dissolution of cold war regime due to financial difficulty.

Then the warmonger had become panicked by losing decisive business partner, Thus they had determined to produce enemy by **9/11(2001) the inside job** to keep perpetual wartime regime with false flag terror and regional wars especially Middle East..

(d) **Making regime toward Operation EndGame both in Nuclear War and Climate.**

Then they advocated threat of the former, but hid the latter. This is the most essential problem in coming decades. Once again it shall be discussed.

(e) **Making regime toward Operation EndGame by enlarging Wealth Gap in Economy.**

In today, fundamental markets in advanced nations had reached its **saturation point**, which turned to be inevitable economy decline. This is a cause to need **police state**-nization to suppress **mass poverty people** both in economy and in coming foods shortage due to worsened climate .

(f) **Thereby It's not Invisible Climate, but Imminent Job-BUSINESS.**

Thus both people and wicked elites had become conservative without regime change toward EndGame.

Ⓞ Now USA is strongest Climate Witch Hunt Society in Carbon Narcotism

In world leading nation America, **communism, climate alarmist, (and pro Russia & China)** are considered **enemy of the regime**, so they are target of **Witch Hunt**. Established Media are strong witch hunt machines belonging the Oil Emperor .

(a) **Behind the strong conservatism against climate in USA is due to op End Game.**

Total Nuclear War in WWIII is impossible, because it would become **complete extermination** for all not allowing even op EndGame. But the false military disputes might be kept for coming decades with threatening of total nuclear war between USA and Russia.

It is camouflage to hide climate. Now climate hell could exterminate most of life on the earth, but it has found to be not complete extermination even Methane Catastrophe.

<http://www.777true.net/Arctic-Methane-Extinction-is-Revealed-to-be-Operation-EndGame.pdf>

(b) **It is Climate that is hidden, but substantial WWIII exterminating global people.**

Unless **Arctic Cooling Engineering** implementation, coming climate exterminating hell is due to Arctic Methane Catastrophe. It is told that twice times of Methane catastrophe in ancient time had exterminated more than 90% seeds <Permian and PETM>. However it could not have been complete extermination, because we still revive from there. It is told that

Antarctica may be evacuation place for eugenicist the wealthy with high tech machine.

Global fire storm in final stage of Arctic Methane Catastrophe would attack northern hemisphere at first. Extreme south region could be one where enable surviving ?!

(c) **It is insidious eugenicist who has been promoting climate collapse.**

In past and now, it is **only USA** who has been not willing to join the international climate treaty by UN. Of course, the treaty itself is entirely hypocrite not effective for climate fixing.

The hypocrite is due to IPCC report for policy makers, even which is operated by EXXON-MOBIL Rockefeller (**NAZIS reincarnated Power in USA=CIA military industry oil media complex = the warmonger in USA**). NAZIS is famous for its ideology of **eugenics**.

[4] : **The Final Problem Left<the warmonger ruling climate with military threat>**.

So far authors observation, Putin, Obama and Trump are originally good papas who has been managing to output familie's(nation people)smile,but not obsess in self interest.

It is called democracy.

(1)**Origin of all evil is evidently unique and only <they deny living together !!!>**.

However there is another very singular problem **the NAZIS power** operating false flag wars and terrors since 9/11-2001.This has been most serious threat in their politics.If they had been made to be crooked,all is due to **the NAZIS reincarnated(Rockefeller the imperial)**.

Russia now has been crooked due to the threat toward once again trying to build military nation against USA military threat.Military budget is highest priority that causes reducing that of social welfare.Now this mechanism has become threat also in Japan and Korea due to the arrogant **North Korea** who is evidently puppet of warmonger USA.Thus our conclusion is evident enough,that is,all evil is unique and only **NAZIS reincarnated Power in USA=CIA military industry oil media complex= the warmonger in USA**. **Israel(the right wing)** past and now may be their ally.**North Korea** is evidently puppet of warmonger USA.

Then we could get solution by vanishing threat of **North Korea and Israel-ISIS**.

(2)**In Case of North Korea.**

Nothing interference by USA,Russia-China enables peace treaty between North & South toward living together in peace

*It is multi-national corp **ABB** in Swiss ,who supplied nuclear reactor to NK.*

The NEOCON boss Rumsfeld was executive of ABB at that deal time.In the later,he became secretary of defense and called NK "evil of axis".Japan government awarded medal him.It is justly the structure of inside job.

(4)In Case of Israel.

It was **NAZIS** that had caused and forced to establish **Israel in Palestine** after the War. Frankly to tell, Israel at now is **puppet nation** against Arab one by US warmonger(**NAZIS**). Their substantial role is **making perpetual military dispute** with terror attacking in there. It's nothing, but illegal invasion against Muslim oil nations by US warmonger since **9/11-2001**. Substantially **Israel at now is ally with the warmonger USA(NAZIS)**. This is upside down.

Israel has been being forced to make ally with enemy. Good person is forced to become bad one in **the upside down world** ruled by anti-God power. Israel the holy race outstandingly **devoted themselves to establish democracy in the world** now still has been being disdained as war-criminal against Muslim in Middle East.

<http://www.777true.net/Essentia-Criminal-for-Causing-the-Massive-Palestinian-Refugee-is-EUROPE-USA.pdf>

The anti-democrat American-European nobility and wealthiest hated Jew **the revolution race** in religion and politics.**NAZIS** was persecuting machine toward making Israel in Middle East.

<http://www.777true.net/PEACE-KEEPING-OPTION-between-ISRAEL-and-MUSLIM-NATION.pdf>

A possibility of evading war may be Israel's turning to repent for the invasions against Muslim nation after the war. War making against Iran is told to be fatal also for Israel.

At least, they could not be nothing damage. Even though peace was kept, would they be hating with each other for long after? Yes, **something extraordinary** would be necessary for the persecuted and forced to build Israel is essentially innocent. However it is up to Israel at now who could accomplish final and everlasting reconciliation between Muslim and Jew.

[5]:The Globalist Elite vs Massive Global People.

(1) This is an opinion that Trump's trial had substantially been defeated.

In following sense, also Obama (*change !!*) had been defeated.

Who Rules America?; The Power Elite in the Time of Trump

<https://www.globalresearch.ca/who-rules-america-2/5608802>

.....
the American political system cannot tolerate any capitalist reforms that might threaten the imperial globalist power elite.

(2) Even though such strong **imperial globalist power elite**, they had **deadly failure !!**.

It is nothing, but **climate collapse** now heading global extermination !!.

Attacking enemy's weakpoint could lead to win !!(.....Sunzu)

Now the minor globalist power elite had made massive global people enemy !!.

Thereby new leader with massive global people has been expected to fight against them.

Then climate is to be fixed, not by scientists, but by **engineer** (businessmen and women).
