

Big Conspiracy of Nothing Substantial Climate Countermeasure 2014/9/15

In 2014, increasing climate disasters has become more evident for everyone !!!!!

While the silence on climate has been going on without emergent global countermeasure. Climate silence by society of science, media-journal, public sector, and political would be betrayal. Certainly climate countermeasure would become effective only by starting actual global implementation, and ***the world has been silent, therefore, so do I.*** It is this logic that cause you hell. and that cause you conscious or unconscious cooperator of operation **EndGame** conspired by the Global Elite.

[1] : In 2014, increasing climate disasters has become more evident for everyone !!!!!

Author in Japan could hear **climate disaster news** from abroad, which are strong drought in USA, big floods in Europe, China, and Asia. Also heat waves in south America and cold wave in Europe and north America are remarkable. In Japan, severe climate disasters and highest climate record (precipitation/hour) change are co-body. That is, climate has been becoming more wild as time goes on. Following matters are rather skeptical topics on global warming.

* **Global mean temperature rise has been hiatus:**

70% of global surface is ocean and 99% global heat capacity is also ocean. Therefore, there is possibility of no temperature rise in ocean surface (but deep sea water layer). While **land surface** could rise its temperature and disasters by **heat input increasing** due to radiative forcing rise with CO2 concentration rise. This is nothing, but green house effect itself due to CO2 concentration rise (now 400ppm). That is, **cooling radiation** to space become weaker by CO2 conc rise.

* * **Frequent cold wave hitting in northern hemisphere in global warming.**

<http://www.777true.net/Frequent-Cold-Waves-from-Arctic-in-Global-Warming.pdf>

This is caused by **Arctic warming**, which is to cause down-blow of cold air mass of Arctic toward northern hemisphere (frequent cold wave). Also heat wave is grown in tropical zone by global warming. That is, **both cold and hot pushing air mass power are simultaneously growing**, which is sometime to cause “**blocking phenomena**” with **extreme weather** in many region.

Top Ten Global Weather Events of 2012

The largest global disasters of 2012 were Hurricane Sandy (with a cost of \$65 billion) and the year-long Midwest/Plains drought (\$35 billion).

Extreme weather becoming more common, study says

<http://www.theguardian.com/environment/2014/aug/11/extreme-weather-common-blocking-patterns>

The work shows so-called “blocking patterns”, where hot or wet weather remains stuck over a region for weeks causing heatwaves or floods, have more than doubled in summers over the last decade.

The rise in blocking patterns correlates closely with the extra heating being delivered to the Arctic by climate change

World begins 2014 with unusual number of extreme weather events

UN's World Meteorological Organisation says recent extremes of heat, cold and rain are almost certainly interlinked

Climate change: No warming hiatus for extreme hot temperatures 2.26, 2014

<http://www.sciencedaily.com/releases/2014/02/140226165305.htm>

While there are claims that there has been a **hiatus** in global average temperatures, no such hiatus has occurred at the extreme end of the temperature spectrum. **New research shows extremely hot temperatures over land have dramatically and unequivocally increased** in number and area despite claims that the rise in global average temperatures has slowed over the past 10 to 20 years.

[2] : It's you activist who must reduce CO2<**Fatal Function** of desperate-ugly debates>.

-Climate History Summary-

1979 : Charny Report in USA, doubling CO2 conc would cause $3 \pm 1.5^{\circ}\text{C}$ rise

1988 : J.Hansen testimony on global warming

1985 : **Villach Conference** the international 1st meeting.on climate change.

In the mid of 21century,mankind will encounter temperature rise in unexperienced scale.

1992 : **Rio de Janeiro Conference**(UNFCCC),but US blocks call for serious action.

1995 : COP1

1997 : Kyoto Protocol

2005 : Kyoto Protocol effect

2009 : Copenhagen conference and **2°C upper limit consensus**.

2013 : T= 14.6°C with 397ppm CO2 concentration.

(1)In end of 19th century,chemist S.Allenius published doubling CO2 conc would cause $5-6^{\circ}\text{C}$ temperature rise.Global warming debate is not recent,but old.Then so clever tycoon of **oil industry** might have well known the information since at that time.It is big momentum of the big global oil industry that is not easy to effectively interfere on their way.At first,they feared influence of warning toward policy makers by sincere scientists.

<http://www.777true.net/IPCC-the-injustice.pdf>

The possible way for nothing consensus on CO2 cut may be **mutual accusing on the responsibility** with global massive synchronous ensemble paralyzing on **not taking responsibility** of CO2 cut by own-self.

The principal theme in conferences is CO2 cut. Conclusionary to tell,there is nothing effective results even in about 20 years long debates due to none who **take actually effective reduction responsibility(80%cut)**.By such ways,there would be nothing initiation toward salvation.

Their password is **sustainability** ,which is nothing,but conserving mass oil consuming regime.

Those who call for climate fix must cut own CO2 emission,so global dominant is to become petty who consider it loss to call for climate fix by own-self.

(2)**Participant policy makers could not see coming hell world ?,or they followed intension of their sponsors(mass oil consuming industry).**Thus they had succeeded to realize **nothing substantial evolution by any climate debating**.

(3)**Common doomsday ideology in the Bible(Jew)and Ragnarøk(German myth).**

So clever tycoon of **oil industry** may have well known **coming hell world** at last by prolonging their business.Then from what they could get ideological foundation ?.Following (a)(b)are wrong.

Note **fire hell world** agrees with scientific prediction of **fireball earth** by methane catastrophe due to massive Arctic reservoir

(a) **Apocalypse (Johns the revelation) predicting fire hell world in the doomsday.**

It's fire hell world as the result of **mankind's guilty** without repentance (= global revolution).

Note main task of the Bible is to preach **repentance** toward **sinful mankind**.

(b) **Ragnarøk (Nordic german myth) predicting fire hell world in the last day.**

* This paragraph is not citation from established academical, but author's guessing.

http://www.ozawa-katsuhiko.com/6celt_german/celt_german_text/celt_german02.html

Foreboding last fire hell world due to **conscious of sin** caused by mercy-less and temporal pleasure life in severe Nordic. "To die is to merely become skull and bones, so one should live life as they wish so long as they live". This is **absurdity and atheism**, but is wrong.

<http://www.777true.net/Proof-on-God.pdf>

Note (a)(b) indicate failure of us mankind, therefore salvation is our repentance of global revolution. Unless so, the our final process toward extinction would be ugly and cruel struggling, which is nothing, but operation End Game.

(4) **Don't buy oil company by anymore,**

but buy more and more new energy industry.

Wind turbine, Solar heaters, Solar electrical generator,

Marine wave generator, and energy creation by Brown Gas.

.....
.....
.....

http://www.777true.net/Part_6_non-carbon-Energy-Engineering.pdf

We should not waste our precious effort power to accuse oil company,

But entirely buy and support new energy industry !!!.

This is nothing, but **revolutional conversion the most necessary !**
from CO2 energy to non-CO2 one.

[3] : Operation EndGame.

So clever tycoon of **oil industry** may have well known **coming hell world** at last by prolonging their business. Operation End Game has aspect of an executing plan toward mankind's death penalty due to their sin. Or it is **perpetual false flag wars** until mankind extinction in order to evade noticing (hiding) **climate collapsing problem** by people.

Now in the world, a curious silence has become dominant in society of science, media-journal, public sector, and political as climate change has become more wild and disastrous. It is entirely **upside down**. It has a deep and dark (symptom) aspect of mankind history.

<http://upsidedownworld.org/>

"If the world is upside down the way it is now, wouldn't we have to turn it over to get it to stand up straight?" -Eduardo Galeano-

(1) **Mankind is separated to theist righteous and atheist upside down.**

Animals never make war. Note past mankind history was **violence ruling** by strong **king the killer robber**. Then **Moses's** the ten commandment prohibiting murderer and robber and **religion** preaching co-living in peace order and equality of people had been initiated.

Traditional being of the former is **ruling by nobility hereditary** <rightist anti-Jew> and of the latter is **democrat movement** <leftism and pro-Jew>. Also communism is considered invention of Jew (Marx). Most of revolution in ideology and science was by Jew in Europe.

<http://www.777true.net/The-Upside-Down-World.pdf>

In modern era, the former are **Imperial UK** and **Rockefeller** the **Bilderberg Group** the wealthy nobility hereditary ruling regime. Their subordinate is troublesome violence group of **CIA-military industry complex in USA + NATO**.

(2) **The essence of Israeli-Palestine Problem.**

<discord trap between same theist races by the atheist in nobility ruling Europe-USA>.

As was mentioned in above, there is long persecution history of Jew who has been considered anti-regime group in nobility ruling Europe. The climax was unprecedented **genocide plan against Jew** by the ultra right wing **NAZIS** establishment due to anti-communism support by **American Capital <Bush, Rockefeller>**. In the other hand, UK prepared **Israel** in **Palestine** as refuge nation for persecuted Jews in Europe. This is nothing, but insidious **historical trap** to cause coming long disputes between Jew and Islam. Today rightist both Jew and USA (**Neocon**) had become connected in order to attack Islam. This was origin of the **9/11 self playing terror** to make wars in Middle East Nations.

It is same in any races who has both rightist and leftist,both righteous and wrong.So is Jew. Historically Jew has been endeavoring to **liberate mankind**(including own-self) from anti-democrat suppression,while white European people had persecuted them due to fatal innocent. It's entirely upside down.

* **It's not superficial racial problem,but substantial ideological one in Jew.**

In authors view,most of Jewish people in Europe and USA are entirely white race due to old **Khazar Kingdom Nation People** who had converted to **Judaism**.

http://en.wikipedia.org/wiki/Khazar_theory_of_Ashkenazi_ancestry

(3)**Things had become *upside down* in conspiracy world<Allen Dulles-CIA>**

Conspiracy world is one where deception and lie has been ruling. **Also it may be valid in atheist world who has been against righteous God**. The essence of God is nothing,but **righteous(justice,truth,philanthropy)**.These are order for assuring life in peace.You could see those by taking logical turning of righteous(=**injustice,false,hatred**).Those are deception ,robber, murderer and war.

(4)**Fatal failure of Capitalism International by Emperor<EXXON-MOBIL-Rockefeller> in climate destructing by massive oil consumption.**

As was mentioned in climate history summary<table in [2]>,so clever tycoon of **oil industry** might have well known **coming hell world** at last by prolonging their business.

Especially in 1980 era,remarkable warning had made by conference with scientists.In fact in 1990 era,actual serious climate disasters began to be reported from Africa and Australia.

In recent years,also Europe and USA-themselves had become to encounter big floods and big drought.They could not be innocent by anymore,but had become more stubborn climate denials.Their denials power never seem to be declined even at now having become evident era.It is supreme problem to survive or not.**Why can Rockefeller admit own fatal error ???**.

It should be also called operation EndGame to **force lie all the time**.

(5)**Common political pathology in world war II defeated nations Germany and Japan.**

(a)**Inadaptability by excess adaptability**<this is not author's word>.

Once their group had been going on,they seems never can be stopped until they would encounter own destruction at last. They can not admit own error due to their high pride.

Note America now is not nation of Anglo Saxon,but **German American** the 1st race in population in USA.Also note the military industry complex was established by **operation Paper Clip**,which had secretly imported NAZIS person ability and technology useful.

To tell from very beginning of **NAZIS**,they were established by financial support of Bush and

Rockefeller Families.NAZIS was made by Rockefeller the German emigrate descendant. So German American Eisenhower had to warn rise of military industry complex(1963). It is GDP#1 USA that have been ruling this world after the war,with financial support of Japan the former GDP#2. Both nations are **economic mad** and **schizophrenia**.

As is such ways,the world could not help,but becomes unhappy.

<see [4] : **Historical example of insanely events by USA the NAZIS reincarnated nation**>.

(b)**The Pathology**

=**Once petty in highest place,they entirely seek only own profit,but not many others.**

I : Paranoidal elite's strong distrust on others and excess armament endeavoring.

=unprecedented and **outstanding military expenditure** than any other nations.

9/11 own playing terror and illegal invasion wars against Middle East Nations,etc.

Framing up **false excuse** and overrunning other nations without **law and word nuisance**.

II : Paranoidal elite's strong distrust and excess watching and manipulating nation people.

Mass scale watching device of CIA,NDA.Propaganda and mind control technology.

III : Excess egocentricism and endeavoring profit monopolizing the **economic mad**.

Abnormal **wealth monopolizing** by Rockefeller. **Imperialism USA** in the world.

IV : Excess egocentricism and promoting global hell with their cruelty.

[4] : **Historical example of insanely events by USA the NAZIS**.

V : Supremacism delusion(**American Exceptionalism**)=racial discrimination

=genocide of Jew,Excess egocentricism and discriminate others different from own.

(6)**Operation EndGame**<see also [5]>.

(a)**Operation ENDGAME**.

<http://www.endgamethemovie.com/>

<http://www.youtube.com/watch?v=x-CrNliiZho>

For the **New World Order**, a world government is just the beginning. Once in place they can engage their plan to exterminate 80% of the world's population, while enabling the "elites" to live forever with the aid of advanced technology. For the first time, crusading filmmaker ALEX JONES reveals their secret plan for humanity's extermination: **Operation ENDGAME**.

(b)**The Bilderberg Plan to Obliterate Humanity**(Pakalertpress,us)13.02.2014

<http://www.pakalertpress.com/2014/02/11/the-bilderberg-plan-to-obliterate-humanity/>

.....

The Purpose for the Destruction of the Global Economy

Estulin mentioned that the wholesale destruction of the world's economy is not an accident, nor is it a miscalculation or the result of political shenanigans. This destruction is being done on purpose, *absolutely on purpose*. Estulin revealed that his Bilderberg insider told him that the slave masters on this planet want to collapse the economy, force people into the stack and pack cities of mega millions and then exterminate most of humanity.

Estulin and I explored the methods that the super elite may use to exterminate 90% of all people on this planet. We both agreed that **starvation** is the most likely candidate. Starvation is a clean method of killing, it is quick and it would leave the planet in good shape for the global elite to

* authors note : Also he agrees with their conclusion. However **famine** would not be caused by economic collapse, but by **climate one**.

[4] :**How many people has been being suffered by their long years imperial ruling !!!.**
<<**Historical example of insanely events by USA the NAZIS reincarnated nation**>>

Now domestic USA is separated to **NAZIS group** and the opposers(**liberal group**). American right wings used to tell something doubtful of anti-illuminaty, however their genuine enemy is the emperor Rockefeller Family. America has been an illusional nation of prosperity which is possible by **hidden, but massive exploitation of wealth from foreign nations**. This could be understood by looking actual history of foreign relations after the war. In domestic, they sings liberty, justice and prosperity in USA, while in abroad, they has been killer robbers <**American Exceptionalism**>. At first ,American must recognize those own insanity which has been causing the world long years massive misery. The essential function of pleasure in American prosperity than other nations is to hide those criminal and insanity in abroad..

current scenario

- (1) Governments with UN organizations at now are perhaps disable to fix climate crisis.
- (2) Perpetual false flag wars in order to hide climate crisis by USA(**operation EndGame**).
- (3) Now **the world is upside down** toward hell.

It is sign of Satan ruling(USA against God the righteous).

Thereby,we must turn the world toward righteous global salvation .

alternative scenario
