

## **How to Escape from Global Slavery by CIA.** 2017/11/11,20,23.

Most difficulty of the World Today is people could not have realized real difficulty cause.

Because **education**(for children)& **mass media**(for adult)never will disclose real cause.

<At first,**keep economy growing regime**, where people are too busy in business to ignore real enemy both in world of visible perpetual wars-terrors threat and in invisible threat of climate worsened world,now heading global extinction before 2050 !>.

Now West and East(Russia &China and their ally)has been being against with each other.

However it is not that one of them is right,but both are wrong.Even though,we could tell that

Real Evil has been due to West Ally.Especially **USA** with the Emperor is **NAZIS reincarnated nation**(CIA-military industry complex the advanced fascism nation).Their influence has been

not only in USA,but in global.However to tell so,there is the anti-power in USA.Now they has

been suffering in their resistance due to their less power. In authors survey,Europe,South

America,Africa and Asia,all of they has been being ruled by CIA after the war due to **CIA**

**operations**<Gradio,Condor,.....>.That right,It is called "**America Imperialism**".

The aim of this report is that also we foreigner must stand up to over turn **the evil and**

**insidious global ruling regime(CIA)** by **purging minority of betrayers(CIA agent)**in each

nation's behind by effective method of **concentrating our power at a focus<betrayer>**.

### **[ 0 ]:Conspiracy Embedded in World Dairy Life<operation EndGame>..**

In advanced and advancing nations,you have been unconsciously manipulated to be slave of the regime now silently,but drastically heading global extinction not in total nuclear war,but

<https://www.todayonline.com/world/us-nuclear-general-says-would-resist-illegal-trump-strike-order>

in climate hell world before 2050.All you are paralyzing in **pleasure civilization**(the regime).

**In warfare and climate disaster nations**,people are being ignored to die by the former world.

The latter are advanced extinction people,while also former are delayed extinction people.

These events are not historical accident,but man made intention caused by the evil elite.

#### **Operation EndGame.**

*For the New World Order, a world government is just the beginning. Once in place they can engage their plan to exterminate 80% of the world's population, while enabling the "elites" to live forever with the aid of advanced technology.For the first time, crusading filmmaker*

## [ 1 ]:Understanding by Whole View on Past and Coming Future History.

(1)In order to verify [ 0 ],author employed following grievous predictions by Hitler, Jucelino.L.N the Top Prophet at now world and Alex Jones(journalist in USA). Hitler is outrageous cruel,but also you could confirm what he once told is right.

<http://www.777true.net/Hitlers-Grievous-Prediction-on-Coming-Future-View-of-2039.pdf>

(2)the summary for our purpose:

I :The world has been being ruled by few hereditary elites(wealthiest & nobility).

Rockefeller the US empire once supported NAZIS establishment,and after the war,

**WALL STREET AND THE RISE OF HITLER By Antony C. Sutton<sup>8/1)</sup>**

[http://www.voltairenet.org/IMG/pdf/Sutton\\_Wall\\_Street\\_and\\_Hitler-5.pdf](http://www.voltairenet.org/IMG/pdf/Sutton_Wall_Street_and_Hitler-5.pdf)

NAZIS person with the war technology was secretly imported to USA to establish

CIA-military industry complex(reincarnated NAZIS in USA) by operation paper clip.

II :Global ruling by them now has been going on with advanced mind control technology.

**III:NAZIS(CIA)IDEOLOGY.**

①People are Slaves of Nobility Supremacy.

②By Setting an Enemy,Perpetual War Strategy toward Hegemony Win has been going on.

The Skull & Bones ideology is due to Hoegelian Philosophy in feudalism Preusen 19<sup>th</sup> C.

This ideology evidently against God teach={justice,truth,and brotherhood}(atheism).

\* **HEGEL AND TOTALITARIANISM THE CULT OF STATE POWER**

<http://www.worldfuturefund.org/wffmaster/Reading/Quotes/hegelnew.htm>

①:Nation and people are those who should be exploited by nobility hereditary.

**PRIMACY OF THE STATE VS. THE INDIVIDUAL**

*"In civilized nations, true bravery consists in the readiness to give oneself wholly to the service of the State so that the individual counts but as one among many. Not personal valor alone is significant; the important aspect lies in self-subordination to the universal cause." "A single person, it hardly needs saying, is something subordinate, and as such he must dedicate himself to the ethical whole [this whole being the Nation]*

②:By setting enemy,and making perpetual war toward hegemony winning.

**THE GOOD OF WAR**

*"War has the deep meaning that by it the ethical health of nations is preserved and their finite aims uprooted. And as the winds which sweep over the ocean prevent decay that would result from its perpetual calm, so war protects the people from the corruption which an everlasting peace would bring upon it. History shows phases which illustrate how successful wars have checked internal unrest and have strengthened the entire stability of the State. Not only do nations issue forth invigorated from their wars, but those nations torn by internal strife, win peace at home as a result of war abroad."*

### [ 3 ]:Whole View on “CIA the **Deception** World”.

*“In conspiracy world,things become **upside down**”.....Allen Duress the cia founder.*

*\*reference:山川曉夫,CIA,教育社,東京,1978.*

*“If the world is **upside down** the way as it is now,would’nt we have to turn it over to get it to stand up straight -Eduardo Galeano-*

*<http://upsidedownworld.org/>*

*“Only the small secrets need to be protected. The largest are kept by public incredulity ”  
Marshall McLuhan,Canadian researcher and author (1911-1980)*

*<http://www.syti.net/Topics2.html>*

(1)CIA is outrageous **Lawless Machine** only for the Emperor’s Global Ruling.Global inspecting on every information and person non-favorable,Mind control technology for deception,bribery and threat.It is also secret troop in peace time for coup d’état and assassination.CIA is also kind of virus,which silently invade and weaken society without awareness.Thus,someday,whole society with injustice,lie,and hate would have turned to be ridiculously obedient one for the ruler.Then virus is called **CIA agent the betrayer**,so we need and develop a **VACCINE** revealing “virus” with the hidden betrayal before mass public.

#### (2)**The History of the CIA**

<https://www.globalresearch.ca/the-history-of-the-cia/5566699>

Valentine’s most important observations about the nature and structure of CIA action are:

- (a)The CIA is a class-based organisation. Its membership and its mission are dedicated to **defending the dominance of the predominantly US corporate elite, based on the ideology of capitalism and white supremacy.**
- (b)The CIA limits its scope of action to the extent that such action may be plausibly denied and is of benefit to its clients.
- (c)The CIA does not recognise any barriers to action except those imposed by its clients or by the force of its opponents—i.e. **it is beyond what most of us call the law.** This does not mean that it is omnipotent.
- (d)The CIA relies for much if not all of its tacit support upon the willing collaboration of the Establishment and the Counter-Establishment in all its forms and factions. The means for maintaining this collaboration are mastery of language and propaganda and an enormous capacity to reward support (witting or unwitting) and punish opposition.
- (e)All of the above are attainable because of the degree of organisation and organisational discipline: class-based, bureaucratic and military in nature.

[ 4 ]:Who is CIA?<not coup detat,assasination,but **corrupted society** is more serious>.

(1)abstraction from \*reference: 山川曉夫,CIA,教育社,東京,1978.

(a)**What Duress told.**

*CIA employ persons who mainly work for money,or who are interested in adventure and conspiracy.A certain kind of person is activated in playing with secrets,or deception.They feel abnormal satisfaction in playing actor behind plot.This feature is frequently found in betrayal communist.In conspiracy world where all matters are upside down,there are person who could not get satisfaction in ordinal works,but one with desire of power and status feeling own something great.*

(b)**Agents Net-Work** build in military **occupation regime** after the defeated war in Japan.

Many war-regime leaders(military,industry,administration,ideologue were arrested and detained by occupation military,**communist,religious leader,.were liberated** from political prisoner).By interrogation with threat and seduction,the war criminal Sugamo Prisoners had turned to be **CIA agents** at that time.This net work had done decisive hazardous role in history of Japan after the war. Now they have been still acting on in **every fields** !!

(2)**Authors Observation on CIA agents the conscious and unconscious.**

Once author was employed to a wig corporate of military industry complex in Japan.Then encountering ideological event made him having noticed on being something globally organized actions against author.Several years after, he confirmed it CIA by documents. CIA's role in abroad is defending corporate benefit from hazard.However,he did nothing hazardous to the corporate,but they have been doing hazardous to author since then. They are extremely and **narrowly self-righteousness** without care on something different. CIA is an ill of **strong shizophrenia world** with the stubborn supremacism and fascism. Maybe,thanks to such them,now USA (also many other nations in the world)seems have turned **strong delusional prosperity nation** now heading hell of poverty,terror-war and supreme climate extinction<operation EndGame>.

(a)By joining the strongest org,they become feel to be stronger and safer.It is only **egocentric motive** of **the weaker**(individual and ensemble)without justice,truth,and faith on nation profit. That is,they have become **betrayers with nothing care for massive others.** .

(b)Org's members may have nothing conscious on they are cooperator with CIA.

Lower class policemen,administration officers,corporate employee,.....Or in other word, someone in high position, who are their boss are conscious CIA agent.They are conspiracy planner or the cooperator.However their top is military American in Japan.

<**Japan USA committee** held the meeting with Japanese bureucrats twice times/month>.

(c)Also,there are **many politicians** who are conscious on relation with CIA.

Prime minister *Koizumi* and *Abe at now* are too famous.Their hidden motive is invisible **hatred** complex against Japanese.Since,unless hatred,their evil deed could not be explained.

(d)**Ensemble Synchronized Paralyzing** in **Conscience on truth,justice,& brotherhood**.

A people will try to accord with ensemble's manner,whether it be good or bad.

Each individual's action wrong could be negelected by all doing similar wrong.

This is especially remarkable in **established mass media(with massive commercial advertisement) and education institution**.That is, **fake news journalists and fake teachers and professors**.Their each deeds may be small,but their accumulated influence as org's action to mass public are not negligible<**media-education-industry complex**>.

Their action effect is long term and region global to decay society(culture)without conscious and awareness of mass public.

(e)**Decadent Capitalism Regime with Visible Vanity,but without Invisible Truth**.

Once society had established **saving {foods,housing,and energy}**(=the minimum materials for life),which is **a completion of economy** the very fundamental.Then what business will do ?.It is to pursue and agitate more **pleasure** and more **vanity** goods and service(in advanced nation markets).It is also a kind of massive wastes in resources and energy.

However Capitalism Instinction **never allow stopping economy growing** to conserve financial business the kernel of Capitalism.Once it stopped,economic recession never be evaded.

Thereby capitalism show window nation USA has been entirely pursuing decadent pleasure and vanity culture(now causing own extinction),which is also to separate people extravagant or poor in **the too competitive society**.Then richer people is to become obedient to the regime,while poor people is to become suppressed by the regime.Then **plutocracy** endeavor seeking policy in order to keep the regime for plutocracy<capitalism as supremacism>.

An excess **pleasure** has an aspect to paralyze, ignore something inconvenient.

A excess **vanity** has an aspect to hide something inconvenient,

\*for example,Carbon energy civilization now has been causing climate hell. A failure of higher status person sometimes hide it.

A society of excess pleasure & vanity tend to corrupt in every manner when they encounter something inconvenient,which become fatal especially in **structural problem**.Then an injustice by CIA is to become necessary for conserving the regime.Then,if society was corrupted,they has no ability to fix by justice !!. Then people were **divided to be selfish** with each other not to **fight against injustice by their cooperation**.

[ 4 ]:How to Overcome CIA ?!!.

①The Essence of **CIA Game**=*All are Enemy,but Ownself(very few elites) !!*

**NAZSI Ideology of the military industry complex reincarnated NAZIS in USA.**

①People are Slaves of Nobility Supremacy.

②Perpetual War Strategy by **setting enemy** toward Hegemony Win.

\* **HEGEL AND TOTALITARIANISM THE CULT OF STATE POWER**

<http://www.worldfuturefund.org/wffmaster/Reading/Quotes/hegelnew.htm>

The real ruler are very few,while we are **outrageously massive(=the winning strategy) !!**,

Then why we have been being defeated in their GAME against Us All ???.

It is due to our failure in making overwhelming **solidarity with a decisive truth !!**.

②Essence of **Game**=*In order to win,enemy must do fail !!*

**Essence of Our Failure**=Errors due to.....

I :**deception(upside down),interception,leaking,**

failure in facts recognition & righteous action toward winning !,

II :**betray(divide and rule !!) by threat,bribery,mind control,...**

facts and action crooked by **violence**

**This is solidarity broken toward dis-action** due to betrayer egoism,...

So far authors survey,deception and betray are major factors of our failure.

③Real Case Study:

**Mass Deception**<being far away from truth is awful to cause own extinction!!!>:

(1)**9/11** and following illegal invasion wars in Middle East Nations,now still those are going on.9/11 is not radical Muslim terror,but US secret troop crime with remote control plane.

It is new war business market creating for military industry and insidious faint operation for averting possible inconvenient world argument in peace time of no wars and terrors.

<http://www.911truth.org/>

<http://www.physics911.net/>

<http://www.911scholars.org/>

<http://patriotsquestion911.com/professors.html>

\*Role of **global mass media(betrayal)**is outrageous,now they has been still keeping secret.

This had terribly **corrupted justice power** of the world toward global moral-less society.

However it could be great chance to turn the situation by making 9/11 global protest day.

**Bush government** at that time must be sued and send jail to globally disclose the fact.

As the consequence,also the origin of global evil ruling by **NAZIS reincarnated** would be disclosed.Then the world is to begin fact ruling to evade global exterminating by them.

(2) **Exterminating in Hell by Arctic Methane Catastrophe.**

(a) **This is the most emergent risk of the world, however hidden by the ruler..**

Recently we had become not able to access to AMEG in website, but by *Arctic Methane Emergency Group (in UK)*. That is, they are group who should be hidden in website.

They have been warning **planetary emergency on Arctic Methane Catastrophe Risk**, which would exterminate whole life on globe before **(2039-Hitler, 2043-Jucelino, Science < 2050)**.

Global warming by CO<sub>2</sub> had vanished ice cover in **Arctic Ocean**, now which is going on by **positive feedback** by this way = *ice melt → more heat input into ocean → more ice melt → ...*

As the consequence, sea floor temperature is to rise and melt massive methane hydrate to **erupt Methane Gas** the strong GHG causing **rapid global warming**. The final stage is to cause **global fire storm (hell of fireball earth)** exterminating almost global life.

However there is a salvation technology called **Arctic Cooling geo-Engineering (ACE!)**.

It is intercepting summer solar heat by **cloud making technology** and making thicker winter ice surface by pouring water on ice surface. Those are outrageous area and length size scale engineering, however it could not be impossible by the technology and the finance.

<http://www.777true.net/Arctic-Cooling-Engineering-the-Summary.pdf>

(b) **UN IPCC Climate Scientists has been hiding deadly Methane Extinction Risk.**

Climate never be fixed only by Carbon Reduction, but also by **Arctic Cooling Engineering** an outrageous and unprecedented scale engineering. To tell from very beginning, the most influential IPCC climate scientists will not disclose this deadly fact to the world public, but has been hiding with silent. Their awful and miserable reason shall be explained in the later.

***Just do NOT tell them the monster exists: The Arctic Methane Monster***

<http://arctic-news.blogspot.jp/2013/10/just-do-not-tell-them-the-monster-exists.html>

IPCC scientists (who were once **ignorant** on Arctic Cooling Engineering at that time) are deadly betrayers against humanity. They have been hiding **Methane Extinction Risk !!!**

***Save the Arctic sea ice while we still can!*** 2015/03/06

<http://arctic-news.blogspot.jp/2015/03/save-the-arctic-sea-ice-while-we-still-can.html>

*Fortunately researchers are increasingly confident that a stratospheric aerosol haze, produced from sulfur dioxide, SO<sub>2</sub>, could provide significant cooling of the Arctic for modest expenditure of the order of a few billion dollars per year. This type of cooling could be replaced by cloud brightening using ultra-fine seawater droplets when the technology is ready for large-scale deployment within a year or two.*

(c) **Why have they been hiding the deadly supreme problem to the world public ?!**

<http://www.777true.net/Arctic-Methane-Extinction-is-Revealed-to-be-Operation-EndGame.pdf>

It's Climate Change that is Silent, but **Actual WWIII** Exterminating 5 Billion People.

However only minor elites would try to survive.

(d) **Nothing Image of 5 Billion People Dying in Coming Climate Hell.**

***Global warming is inevitable and 5 billion until 2043,, may die if nothing is done in time, and they are hidden from worldwide population .. says Jocelino Luz***

<http://www.jucelinodaluz.com.br/aquecimento-global-inevitavel.htm>

Coming 2043 would not be in rather slow tempo, but to abrupt collapse by Arctic methane catastrophe. Note prediction could be changed by our will at now, Jocelino himself told.

<http://www.777true.net/Scientifical-Mechanism-of-Prophecy-by-Paranormalities.pdf>

(3) **Deadly Deception on Religion, etc by Corrupted Established Science Society.**

Once **all the people** acted in **justice, truth and brotherhood**, the upside down world now could be turned to righteous one at soon. Those are essential teach of **RELIGION revelation** by the other world. However modern world had become rather atheism due to misunderstanding.

Thereby now the upside down world has been being ruled by injustice, lie and hatred.

**Prophecy** has decent standard science mechanism disclosed by author.

<http://www.777true.net/Proof-on-God.pdf>

<http://www.777true.net/Scientifical-Mechanism-of-Prophecy-by-Paranormalities.pdf>

Global Science Society has been entirely neglecting anything what author wrote.

<http://www.777true.net/Math-Physical-Science-Library-List-in-777true.net.pdf>

**Ideology reforming** (by **justice, truth and brotherhood**) in all of global people is decisive to make global massive unite **with a truth** in the world now facing unprecedented extinction risk. Then it is nothing, but decent **science with religion** that could present the very simple, fundamental, common and **exact-strong ideology** toward action.

#### ④No Threat and Bribery by Establishing BI(Basic Income).

What need for you not to be threatened or bribed ?? We are not fully free, but slave.

BI could not be full complete, but semi-complete method to liberate global people from economic slavery in the competitive, but now not cooperative global Capitalism Regime.

BI is also called citizenship income, which is fed equally minimum income to all the citizens without any restriction, but citizenship by nation. Note this is feasible without large tax.

If people try to resist against the wrong ruling regime, they may encounter something suppression in any nations. This could be a cause making people nervous in political action. Now every nations, to save life by job is not so easy, except rare rich social welfare nations.

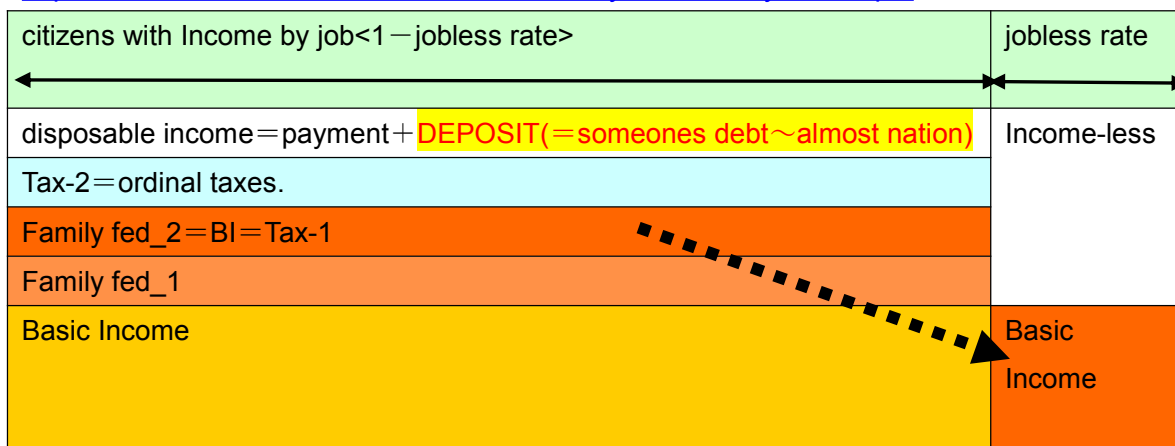

Then method BI is revolutionary, but economy regime could be kept without large revolution. Following is the kernel point which has been crooked by malicious groups.

BI could be considered as follows in exact account principle.

BI does not need large tax increasing, but increasing few feeding family by job less rate in national statistical average meaning. Increasing feeding family is certainly to reduce your manageable income which is equivalent to tax increasing amount.

[http://www.777true.net/the-convergence-to-genuine\\_J96-BASIC-INCOME.pdf](http://www.777true.net/the-convergence-to-genuine_J96-BASIC-INCOME.pdf)

<http://www.777true.net/Quick-Guide-to-Economy-Network-Dynamics.pdf>

Someone worry that BI is to increase people who will not work. However then market principle enforce them to work, because less man power supply is to cause high goods price due to higher man power cost which is to enforce them to work both due to poverty and due to the higher income by getting job. In ordinal sense, people has will to join society through job. It also be good for society that someone ignore getting higher income, while he wish what he really want to do by minimum income. It is enlarging freedom of all people, which may have great potential to revise society.

Note today's world is **addiction of too much working**, which now has been accelerating global crisis of such climate change by consuming massive oil and resources. Also note BI has ability to **stabilize people's livelihood in large Economy Regime Change** which enforces people's job transition or jobless for a while.

\*Author told almost merits of BI, however there would be demerit not told at here.

Then you may notify it to author: [Of course, CIA hates BI which liberate people.](#)

## ⑤ Summary on [ 4 ]: **How to Overcome CIA ?!!**

(1) It is **overwhelming global deception** that has been allowing insidious global exterminating <operation EndGame conspired by the too insidious supremacism elite with CIA in USA>.

It is due to **global ignorance** on **real climate risk** now heading climate hell exterminating.

Corrupted global scientists with media will not disclose the coming exterminating hell.

Major is **strongest obsession on ECONOMY** with desire and fear on business success or failure. In fact, climate risk is **actual WWIII the too insidious final survival game**, which has been being concealed by perpetual mass media agitation on faint of terror and war disputes in anywhere in the world conspired by CIA the US warmonger. Thereby once global people must **reexamine 9/11 and the behind history of NAZIS reincarnated in USA after the war**.

It is they who has been endeavoring to **exterminate global population by climate hell**.

(2) People must be awoken on own delusional recognition on **the upside down now world**.

**Excess pleasure & vanity life** in advanced and advancing nations has been causing your delusion on the recognition (= paralyzing on recognition that now the world has been heading toward global exterminating by Arctic Methane Catastrophe before 2050).

(3) **Establishing Income Assurance for liberating people from political suppression.**

Making **global massive unite with a truth** need **people's political freedom** from slavery in the economy and war regime, which would be possible by urgent establishing BI and peace.

Any voters with politicians must endeavor to establish BI (citizenship income) and peace.

### **\*Key Words:**

*overwhelming global deception = upside down world !!*

*global massive unite with a truth = turn the upside down world !!*

The other world never will punish us all, but it is our world.

Because it was the other world who once revealed Religion of *justice, truth, and brotherhood* toward our mass salvation. It is nothing, but **repentance** toward accomplishing the teach.

Technically repentance must be **revolution** by global massive unite with the truth.
