

How to Politically Destroy Earthquake Weapon=Anyone can make HAARP.

Dear staffs of Global Websites(every morning,author read your sites). 2016/06/04

In 2010/1/12 ,M7 Earthquake hitted Haiti and in 2011/3/11 M9 Earthquake hitted Japan. They say those were caused by **HAARP** the electromagnetic earthquake weapon. Now HAARP had become fatal political threatening for Democratic Nations in the world.

Now author will reveals you how to make HAARP the mechanism.A harp is collective of music playing strings by fingers touchings on those.Then the strings are **electron density** in lon sphere and the fingers is irradiating **special traversal electromagnetic waves(VHF)** in lon sphere.

[1]:The Technological Fact Summary.

(1)Alternating Electron Density(**AED**) is possible by scanning(irradiating) strong beam of **fingers wave** toward lon sphere by **phased array antenna**(HAARP).

(2)**AED** can reradiate **Charge Density Wave**(CDW,or scalar wave)toward ground through sea water and stratum by **the strongest penetration ability(stratum depth > 10Km)**.

* ordinal traversal electromagnetic wave is strongly attenuated in sea water and stratum.Almost nothing penetration ability !!.

(3)Note earthquake **hypo center cracking** is chemical bonding one,a chemical bonding is due to electrical force(**charge**).Then CDW is to act on chemical bonding destruction(hypo center cracking).

(4)A critical state of hypo center is **maximum tension**,then earthquake is to begin by very low charge density injection.

*Extremely telling,a string breaking by strong tension is caused from one position,which is initialized by chemical bonding destruction of **a molecule**.

(5)**HAARP Evidence of the Mechanism**<now English translation is going on>.

HAARP = 電荷密度波地震兵器の理論推計 :

http://www.777true.net/the-convergence-to-genuine_J53-HAARP-Evidences-of-the-Mechanism.pdf

電磁地震兵器廃絶の為に実現原理の物理根拠をXX。巨大爆発力とは全く逆の超微小比率電荷場注入が臨界震源亀裂開始引き金に滑り地震開始へ。波動方程式には平面波で振幅が高さ方向で線形変化する解が存在、電離層電子密度変調可能で電荷密度波放射器に。

*Note it is not that author had gotten full exact comprehension,but the **main principle** of mechanism **in quantital realization**.

[2]:The Political Fact Summary.

The being of Earthquake Weapon had become famous in Japan Congress by Mr Hamada a member of the House of Representative. Then some the other members and many confessed it had become a serious **political threatening**. In 1995/1/17, the Murayama **Socialists Party** government, Hanshin Awaji earthquake was attacked, In 2011/3/11, the Kan **Democrats Party** government, Tohoku earthquake was attacked, Both earthquakes are political terrors against **democrat movements** in Japan (and the world). **Both governments were very rare era of non LDP government the substantial long years dictator one after the war.** Those terrors may be not only in Japan, but also in the other nations in the world. **Japan (and the world) will not manage decent politics so long as conserving such threatened situation !!!.**

Then scientists, engineers and politicians both in Japan and the world must make **testimony the evil being of HAARP**, and make global declaration of the warning toward international society. Each nation must do effective political actions with making global ally toward abolishing earthquake weapons.

Author wish your strong supports toward effective world wide actions.

***Caution:** It is possible to accuse author that **it is itself of revealing earthquake weapon that would cause threatening in people**. However, today many (especially nation elites) had known it, but **they have been in silent**. Someones honestly confessed that *I accepted their unreasonable request to avert damage by the threatening*. This can be **a plausible justification of corrupted politics** by turning own responsibility to **the threatening in**

silent !!.

A kidnapping will never be ceased so long as people pay.
