

## **In fact, the world at now has been in midst of Pseudo World Wars.**

Possible most effective and acceptable way for attacking the wars (Covid & Climate now heading global extinction) and saving minimum life of all people may be accepting wartime regime. It may be strongly depend on deadly truth declaration of the concerned Scientists.

## **[ 1 ]: Covid could not eradicated by vaccine, but accelerate its explosion.**

### ***The scientist Montagnier on the mass vaccination:***

#### ***"Man is working on his own disappearance"***

<https://comendonchisciotte.org/lo-scienziato-montagnier-sulla-vaccinazione-di-massa-luomo-sta-lavorando-alla-propria-scomparsa/>

This is a bomb remark from the famous AIDS researcher Dr *Montagnier*.

*For Montagnier, everything we are experiencing " is a company that has been built over time. It is no coincidence that this pandemic broke out at this very moment. It has been a long process of coordinating marketing operations with the involvement of pharmaceutical companies, doctors, scientists and even governments, because it is they who then decided to apply this program. "*

.....

*He adds: " I think it is a crime for children to be vaccinated because, even if they can withstand the immediate effects of this vaccine at the moment, they could then suffer the long-term effects that we do not yet know about. It is possible that in the next few years diseases will develop that are also transmissible for several generations. Just as it is possible that there are neurological consequences on people who have already received the vaccine today " .*

### ***A meta-analysis of 63 papers revealed the amazing therapeutic and preventive effects of ivermectin. Several Indian states have already completed the pandemic with ivermectin. But no country reports at all.***

Till recently, India was widely reported in the media as "the worst new coronavirus-infected country heading the nation collapse. But Indian Corona coverage do not be seen in these days. The reason is that "the number of infections and deaths has decreased dramatically."

Thus, above all, revealing the inconvenient truth, the misery could be ceased rapidly.  
At 1<sup>st</sup> all people testing detect infected people, who could be cured the good drugs.

**[ 2 ]:Now Climate has become more wild,however still there may be Final Rescue Methods?!.**

Covid could be eradicated by all people testing and rapid developing of effective drugs.

<http://www.777true.net/All-People-Testing-&-Basic-Income-Are-Decisive-to-Tackle-against-Corona.pdf>

Similarly climate becoming more wild could be eased by **rapid developing** effective weapon against wild climate<global heating with cold wave and risk of Arctic Methane bursting> by **Geo Engineering** such as sun heat intercepting by cloud making machine and direct Arctic cooling by intercepting colder sea water out flow.Then all people testing is equivalent to **all people's rapid exchanging to new energy from fossil fuel.**

<http://www.777true.net/Rapid-Launching-Climate-Engineering-could-Save-the-World.pdf>

[http://www.777true.net/Weapons-for-Climate-War-are-Possible-in-Technology\\_but-not-in-Politics.pdf](http://www.777true.net/Weapons-for-Climate-War-are-Possible-in-Technology_but-not-in-Politics.pdf)

<http://www.777true.net/Blocking-Nares-Strait-Gate-to-Intercept-Methane-Catastrophe.pdf>

Rapid implementation never be possible by such way of **Business as Usual**,but way of employing **Urgent Wartime Regime** both with enforcing national power for the effective strategy against wild climate and with **Insurance on Minimum Life for All People.**

**Unless all peoples acceptance and cooperation toward co live**,the world would become terrific misery of global exploding both by cruel Covid and wild Climate.It is outrageous long hell era heading global extinction. Now is just time people must opt which road !!. Then the final decision would be strongly depend on truth declaration of the concerned Scientists and also the concerned Engineers<optimist?!!>.

*"Detect toward the last patient like as searching needles in a haystack".*

*New Zealand has adopted drastic containment since March 26. With one goal: not to stop the spread of the disease, but to eradicate it completely. the government has decided to stop everything, Everything was closed: schools, offices, beaches, bars, restaurants, even for takeout. Visitors arriving from abroad were all placed in quarantine. the government does not intend to relax its effort. " We will continue to search for the last cases like needles in a haystack,*
