

Letter to the Korean People in the Upside Down World. 2023/3/15

While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage....2 Peter 2:19,King James Bible
"If the world is upside down the way it is now, wouldn't we have to turn It over to get it to stand up straight ? " -Eduardo Galeano- <http://upsidedownworld.org/>

Also author hope coming times of real reconciliation among Korea-China and Japan.
Now also Korean people has been strongly being deceived by USA the NAZIS reincarnated.
They has been strongly accusing the invasion history,however you don't know the actual concealed history,and also extremely singular position of Korean Japanese(KJ) who has been being employed very dirty,dangerous and illegal(but not punished)role against Japanese who act in reforming corrupted Japan due to hidden and evil policy by the USA.
If you(and also Chain people)could really be awoken,the history could be changed,

[1]:The Outline.

(1)The modernization of Japan(1868)was not real self power revolution,but UK,s conspiracy employing KJ(in Chohsyu)as agent ruler.**The Emperor is not Japanese(but KJ)..**

**The most betrayer against (Tokugawa)Shogunate is me..... Thomas.Blake.Glover*
(UK weapon Merchant imported used gun to anti-Tokugawa power from USA after the civil war,he also employed Ryouma-Sakamoto the organizer anti-Tokugawa league.
*Tokugawa governance<1603-1867> had accomplished **264 years long time peace** with the friendship of Joseon envoy<1607-1811>,and Netherlands trade in Dejima<1621-1847>.*

(2)The aim of GLOBAL IMPERIALISTs expected Japan as hidden assisting (military)power nation in Far East Region POLICY<Anglo-Japanese(military)Alliance=1902-1923>
They turned Japan modern military fighting dog nation<1868→1894-1945> as follows.

(a)The wars in **China**<1894-1895,,**1937-1945→1949 China Revolution**>,
Taiwan annexation <1895-1945>,

Having established the revolution, however the economy did not work well.The Great Famine<1959-1961> killed many Chinese<Mao Zedong and Rockefeller the US wealthiest the depopulation planer>,setting up internal enemies to avert popular hatred of the rulers, the Cultural Revolution<1966-1976> was conspired ,Later, Deng Xiaoping's reform and opening up<1978~> was to go to the current position.This is also US(with Japan) assist.

(b)**Russia**<1904-1905,,→**Russia Revolution-1917**,
the ultra wealthiest Rosscild and Rockefeller secretly assisted the revolution and the after times to establish their common enemy in their capitalism outside<Vodka-Cola connection>, but Andropov-Gorbachev resolved USSR<1991>. → Military industry in USA having lost enemy faced business crisis to conspire new enemy al Queda with Middle East invasion.
..however recently stand in double Putin<the betrayer>once again started cold war in terror politics Russia as you know.

(c) **Korea peninsula annexation**<1910-1945>,...→(3)

(d) **USA**<1941-1945>..*Revolution is more terrible than defeating war,..the wartime prime minister Fumimaro Konoe,a member of the emperor family.*Note the war executor emperor was the military top commander in the old constitution,who judged Pearl harbor attack neglecting no war winning possibility in war time economy calculation by the army.Very unreasonably,he escaped from top war criminal responsibility in the US occupation policy.

→Military Occupation after the war by "*Japan-U.S. Status of Forces Agreement*"=**Ruling Japan by US-Japan Joint Committee**<1945-2023>..this is illegal by**2625 (XXV). Principles of International Law concerning Relations among States in Charter of the United Nations**
<http://www.un-documents.net/a25r2625.htm>
c. The duty not to intervene in matters within the domestic jurisdiction of any State, in accordance with the Charter.Also USA agreed the law,while they break it in Japan.
Note even US diplomats themselves are mad at this.

(3)Before Japan invasion,Korea Peninsula had been being ruled by China for very long times history with the policy strong exploitation and without building good progress.In the very severe long absurd history,the cursed culture *historical peninsula grudge* had been formed as Korea culture.It is told a mind power for them to live life. Thereby,such Korea at that times were far from modernization,however it was Japan ruling that had accomplished it in the assimilation policy.It was entirely the same in Taiwan,however they never accused it so strong as Korean.Now they are very familiar with Japan
Why was it *assimilation policy*,but not only exploitation by such China??,the strongest Japan ruler emperor was not Japanese,but hidden Korean with the obedient Japanese subordinate

Political maneuvering by employing hatred motives is a common practice in the world of espionage.This is a universal human problem that can be seen in Nazis, Israel, the Middle East, Eastern Europe, South America, and Asia.

<US secretly employ JK terrorists who are really outlaws(no punishment)>.

On the entirely contrary,in now Japan,they has been being suffered by the absurd ruling of US military occupation due to their deadly illegal crimes with invisible Korean subs.They has entirely been searching Japanese non favorable against the absurd and brutal US ruling. Assassinations against voicing opposition to US military bases.Japan has a lot of unsolved criminal case in politics and media incidents,Many KJ engage gangster criminal organization due to legal preferential KJ.

Definitive proof of privilege for Koreans in Japan! !

Summary of the privileges of "Koreans in Japan"

<https://ccce.web.fc2.com/zt.html>

Ordinary foreigners living in Japan are forced to return to their home country after being sentenced if they commit a serious crime.However KJ are not,but except for some special cases such as crimes related to civil war, to foreign affairs, to diplomatic relations, those who have been sentenced to imprisonment or worse for crimes against foreign heads of state, diplomatic missions, or their embassies, KJ will be released to the general public.

In the outstanding military power nation,people must work harder to obtain the tax payment in the severe competitive society.In the comparison,other ordinal nation people live easier life.Author consider the latter is righteous.By anyhow,they(German American the major race in USA)are too much doing.If they do wrong by very harder work,what would happen?.

Ordered world is governed by mutual love, and chaos by mutual hatred (Mozi, Juan 4)

Those who follow the will of heaven are also righteous. Those who oppose God's will are also powerful. (Mozi, Juan No. 7)

If there is righteousness in the world, there will be order, and if there is no righteousness, there will be chaos. (Mozi, Juan No. 7)

However once trying to tackle the most difficulty in now world,there would be no more easier life as usual.Do they welcome such extreme tension world ?!!!,if you hope it.author will present you the supreme deadly problem !!

<http://alternativereport1.seesaa.net/article/49608166.html>

Akira Yamada was the supreme leader of politics and the military, and was in a position to collect the most accurate information while accumulating a huge amount of materials and testimony in his book "Military Thought and Strategy of Emperor Showa" published by Azekura Shobo. It concludes that the emperor, as a person, is responsible for causing the war. No research has yet emerged that can refute this vast body of material and testimony.

Evidence that Japan is ruled by Koreans. The "Tabuse System" was the beginning of the rule of Japan by Koreans and financial Jews.

The darkness of the imperial family. The darkness of the Japanese Red Cross Society. The darkness of the Tabuse system. The darkness of being a devil worshiper.

<http://rapt-neo.com/?p=16559>

There is little evidence (I don't think it is irrelevant) to say financial Jews, the British world ruled at that time by the super elite of the royal family, and it was the British royal family that used the Jewish talents who were similarly discriminated against! ,

Focus on the 40 photos of Emperor Meiji taken by foreigners! !

There are discriminated Buraku(village)communities with the same names in Kagoshima and Yamaguchi prefectures, and the two "Tabuse towns" united with foreign aid, and many political influential people appeared later from "Tabuse towns" which caused the Meiji Restoration coup d'état to restore the monarchy. Become.

*Emperor Meiji's biological mother, Keiko NAKAYAMA, and the tomb of the woman who gave birth to Emperor Komei are located at Toshimagaoka Cemetery in Bunkyo Ward, Tokyo. **It is said that no one, including Emperor Meiji, has visited the shrine.***
