

## **On Haiti & Chile: Anti-Democrat Attacks with Earthquake Weapon by USA.**

Now is the era when he oppose God and rule the world with "deception & lawless". Deception is stealing, and lawless is aiming for making war, both of which would cause disorder with hates and without will of co-live. Facing anormal era, the world citizens should make solidarity against "deception and lawless". The key is **truth** enabling unique belief for all of us.

[0] : **The supreme problem of mankind whether taking co-living or not.**

Mankind was born in Africa as a same kind of spiece, then someone abandoned own native land and endeavored to seek other district to live for better enviroment. The foward migration-itself of mankind might be little trouble. However reverse-migration(origin of imperialism by upside down Satan in maze)could not help to be troublesome crash between native inhabitant and invader. This is the origin of condemned imperialism deneying co-living. This is the original sin of all mankind. Henceforth, God having seen the extreme hell states(wars)of mankind sent mission (prophetes) to **persude way of their co-living and warn invading(=religion)**. The former is called also charity and the latter is called law. This may be the common kernel doctrine in any religion.

[1]:**Lawless NAZISialized USA vs Latain America, Middle East, Aisia after the war :**

(1)**Eisenhower's serious prediction on the Lawless NAZISialized USA(1961).**

" We face a **hostile ideology** global in scope, **atheistic** in character, **ruthless** in purpose, and **insidious** in method".

<http://www.americanrhetoric.com/speeches/dwightdeisenhowerfarewell.html>

(2)**The operation paper clipp**(secret importing NAZIS person for CIA,...):

Bush Family the Skull & Bonse men concerned establishing NAZIS and after the defeated war, many important NAZIS persons were secretly sent to USA for establishing **CIA**(1947)and military. Now note that the most races in USA is not Anglo-Saxon, but German who are told strong tie in MIC(military-industry complex) in USA. Thier imperial is Rockfeller family monopolizing almost half of wealth in USA. Then how to evade people's hostility against the ultra rich ?. At first, they exploit colonial foreign nations by conspiracy and military way in order to gain and distribute more wealth provided for domestic peoples,

who become in delusion considering own-self higher class than any other nation in the world. Certainly American intellectual know well on the deceiving, exploiting and suppressing mechanism of which insidious political psycho-technology has hiddenly been endeavored to survey by CIA laboratories. Note that elites of mass media, university and institute researcher are betrayers.

**(3) People and nation are those should be exploited by dictator the supremacism.**

The Skull & Bones ideology due to G.W.F. Hegel evidently deny co-living, which orients insidious fascism in domestic and lawless and cruel one in abroad. As was revealed in the recent economy downturn in USA, they have been endeavoring to gain the world surplus "money and goods" simultaneously.

**(4) Why is wealth gap larger in exploited nations ?!**

In order to gain more surplus money from abroad nation, it needs larger income gap in monopolizing wealth by few rich, only who could invest to USA. Then matter of course, suppressed people would be frustrated in the political regime. They tend to activate leftism of co-living with equality. Then USA needs suppress mechanism in those nation (CIA-military). Operation Condor by USA is famous for suppressing conspiracy against Latin America. In Asia (Japan), they employed dictatorship rightist regime without government change between conservative and reformative in election. Note that each nation people's hostility then would be against each nation's dictatorship government, but not against the very origin of rich-himself in USA. Conclusion might become rather discontinuous inference, after all, reforming of world regime relieving people facing the outrageous crises would be impossible without that of USA. Then the key is truth enabling unique belief for all of American.

**[2]: The plausible democratic history of Haiti and Chile the emergent crisis.**

Now people in Haiti and Chile encountering outrageous disasters are extremely severe in pain. Hereupon it's lamentable that the established mass media made propaganda strengthening on people's grabbing in the devastated areas. The fact may be upside down, because they seem not enough emergent life support by domestic and abroad aids. In political view point, both nation has plausible democratic history. Haitian established **the first independent republic nation** by African in Latin America (in 1804 by Jean-Jacques Dessalines), on the hand, Chilean established **the first socialism nation in democrat election** in 1970

Latin America (Chile socialization revolution by the president Dr. Salvador Allende Gossens). The revolution by free election made the faithful watch dog CIA panic, because their anti-communism propaganda was based on communism established only by violence. USA then endeavored to destroy the government regime by perpetual dirty interference and conspiracy, but all in vain until 1973. **9/11** in the year, general Augusto Pinochet made anti-revolution by military coup d'etat.

Since then outrageous amount of 1/10 Chilean are told to have refuged in abroad. The evil of Augusto Pinochet was told in world wide various novel and movie, ... However actually, effective evil is Rockefeller the mankind perishing imperial in USA. The fame of Allende is still high in Chile and the world.

### [3]: The aim of Earth-quake weapon and the criminal in USA.

Author recognize his inability to persuade scientific validity on earthquake weapon (EQW) as its actuality. However he also consider **science** on such facts written in this report would be harmful for world stability in long range future view. Unless it, insidious and ruthless conquering by a nation would be realized in future world. **People will not follow leader without moral**, so visible employing of first attacking by a-bomb may be impossible due to moral suicide of leading nation, while invisible attacking might enable to make nothing manifest validity against accusing. So an evil nation would take it frequently. Hereupon, author shall mention those by circumstantial evidences from political view points.

(d) Are any of these Earthquakes Being caused by Scalar Weapons?.

<http://www.prahlad.org/pub/bearden/scalarvocanos.htm>

(1) **The Chile disaster is also earthquake attacking.**

Chile earthquake attacked 2010/2/27/3:34am by M8.8. About one hour before, author sent e-mail to the vice president Joe Biden of DP in USA(Appendix1), which warned world wide censoring in media and education by the war merchant. Consequently world people not known truth could not evade global catastrophe. Then see serious prediction in the Bible(Thessalonians in new testament) [5], which awfully describe current anormal ideological state of the world. Note the precedent email "Earthquake weapon attacking on Haiti" were delivered to UN:2010/01/24, and to Organizing for America(DP):2010/01/22(Appendix2).

(2) **He tried to make scilent on earthquake weapon by the Chile attacking.**

As for Haiti outrageous disaster, many accused USA for decisive doubt on employing earthquake weapon. Author-himself is including them. Then he(the evil) made the decision to attack somewhere for another attack to make them scilent. His supreme aim seems to make the world non-sensitive in lawless order. The recent typical cases are the 9/11 terror(note the coup'd etat in Chile is also 9/11 in 1973) in NY and following illegal ivasions on Afganistan and Iraq. In these ways, he evidently endeavor to become one for whom none could accuse. It's also the 2nd 9/11(the anti-revolution) on Chile by USA.

(2) **Who is he ?, everyone must survey the criminal in US actual commander.**

Following is a recent comment on Haiti earthquake by Benjamin Fulford.

(a) Separate sources also report that **Bill Clinton** and **most of the Bushes** are not expected to last long because of their vicious and cynical use of **an Earthquake weapon against Haiti**. They thought they could use of extereme violence to prevent the announcement of a new financial system but they thought wrong. In the past these thugs on secrecy and terror but they have created so many enemies that they have lost cloak of secrecy and they have lost control of most of the world' military, spy agencies and secret societies. They may be able to hide out in Texas and Arkansas for a while but they will never, ever be allowed to appear in public without taking extreme precautions.

Moscow, January 18 (New Region, Vitaly Akimov) - An earthquake in Haiti - the result of tests of the new U.S. weapons. According to the site prpk.info, reported by **the Prime Minister of Russia Vladimir Putin**, the leaders of the Northern Fleet. According to the site, the Northern Fleet followed the movements of the U.S. Navy in the Caribbean Sea. Supposedly this is where the United States intended to use weapons "using earthquake" for the destruction of Iran and the overthrow of the current Islamic regime there. Haiti proved to be a victim of the same test a new type of weapons. Weapon, causing an earthquake, according to the site, using the development of the great scientist, a genius inventor **Nikola Tesla**. In the early 20 th century, he demonstrated the results of their research - be placed in a wall of the building a small priborchik, customize it, after which the structure has come under increasing violence of the vibration, until fracture. © 2010, The New Region - Moscow

(d) Tell for author-himself, in recent days, there would be possibility breakdown his fingers for typewriter. Those are Junichiroh-Koizumi gangsters deeply connecting with Bush. It might be also informative service volunteer to author. Once he wounded his memory by electrical shock gun in 1995 of Kobe big earthquake.

(e) **The US war merchant is decisive, then who is their boss ?**

Bush and Koizumi connection as **war merchant** is not a recent one, but is since previous ear of the war the 2nd. Their character is entirely hostility against truth and love (deception, threatening with hatred). Why they could be so ?

A high status **hereditary's worry** is their decline. So essence of their business become entirely respond to all the affairs making them nervous. -Satanization-

They have many enemies in business and politics. Thus they become criminal with {deception and threatening by visible and invisible violence}. Note that those are **anti-truth** and **lawless**. This is the kernel of Satan. {...} is just the function of **the cia-media-military-industry complex=the war(death) merchant**.

The few monopolic rich are to unite with conspiracy against their enemy(people).

(f) After all, military men are mere officers with standardized salary. How much do they want to make a dangerous war ? However they may be connected with the military industry (**the death merchant** whose ideology is that nation and people are

being exploited by elite **the supremacism** and **perpetual war** by framing up enemy) gained the outstanding budget 708b\$(2011) in the world. A problem in USA seems one how much who has money. In this strongest view point, Rockefeller with FRC is the worst evil being for not only America, but also the world. The principle of capitalism engine is that money can gain more money (investment in economic growth and decline). It's a positive feedback system yielding **monopolic saturation status** such as he. Then champion's unique worry affair is own decline. One who encounter his status decline tends to become "Satan" who do anything possible to conserve his status. This is the essential reason causing a hell (deneying co-living with others) in the world.

(h) **You could win , because 98% American hate to kill others.**

A military man who knew reality of battle fields will not want to make war. This was taught by someone, which made author deep impression. Once again it revealed to be true. Japanese site cited summary on following book.

\*Dave Grossman, On Killing: The psychological Cost of Learning to Kill in War and Society (Boston: Little, Brown, 1996).

[4]:Upside down world overwhelmingly deceived by unconscious & conscious evils.

(1)Upside down world<A mundane world is upside down...Heart Sutra>:

Once they had known possibility of abrupt **Climate Change Catastrophe(CCC)** and the **Prophecy Reality in Religion(PPR)** concerned with the final judgment in the Bible,they could not help drastically change their view on the current excess technicalized civilization(upside down world). PPR can be verified in its reasonable mechanism by quantum physics on vacuum field and by **almighty theorem** in contradiction in logic. That is, the other world is almighty one !!.

Allmighty belongs to **out** of ordinal, causalistical, scientific law world.

A prophet is person paranormal who can communicate with the almighty world one.

\*CCC:current global temperature trend would cause abrupt methane catastrophe in Arctic. Great extinction by methane actually had occurred twice in the past.

\*PPR:material world is non-contradictional where possible event be unique, while quantum vacuum world is contradictional, where anything can become possible.

Communication is possible by charge density wave caused by neuron cells.

It's ordinal that twin could communicate with each other in unconscious.

<http://www.777true.net/Scientific-Mechanism-of-Prophecy-by-Paranormalities.pdf>

Since a civilization causing own perishing could not be logical by anyhow.

Fundamental mission of life is entirely surviving in all the history. It's also definition itself of life. However as for modern mankind, they have entirely been pursuing individual lust in local, but not co-operative spirit stability in global. The former is called materialism, and the latter is religion(ideology).

The former is **competitive capitalism with mass material consumerism** eating and polluting up own fundamental life resources. It also can be called **inadaptability caused by own excess adaptability**. Henceforth, author became to view modern tower buildings as gigantic tomb stones. Crowded car streets are invisible poison gas rooms causing tremendous lung cancers. Thus urban mankind live life in overwhelming deceptions(superficial dressing up culture as vanity competition manipulated by capitalism) is to cause own extinction. In the very origin, mankind do work for eat, rest and sleep(saving foods and home with some energy=ME=minimum economy system). Once capitalism begun, they do work for non-ME, which could not help to be something unnecessary surplus. They essentially and entirely work for vanity competition causing own extinction at last. Ridiculous at all !!!.

(2)Even though they had known truth, they could not stop.

<**mankind as belongs to the capitalism,then how to turn the belonging ?**>>.

Most of people belong to captitalism regime to gain income for their life.Then they could not deny the regime emitting outrageous amount of carbon causing own extinction.The regime has been endeavoring so called **economic growth**(with that of carbon emitting),only by which capitalism(investment) could work well.

Hereupon the global great recession since 2008 might can be a relige,if we could turn our belonging to the regime. Above all,ideology of people's equality is absolutely necessary.Author could find simuletaneous resonance shouting in facing "the global crisis" among all of black,white,and yellow races.

<http://www.777true.net/FINALJUDGE.pdf>

Yes,we are the world and none could establish a **perfection** without tremendous contributions and supports of all of the others in all of their history.

**An imperfection means being of error or failure which could cause troubles.**

To tell from the very and very beggining,we were created from a voulmeless spot in time and space by God(The Allmighty Being).

(a)**any nation people should be provided a constant minimum income to live:**

In a family,they work and once gather their total income and then each member is given necessary amount for payment.This may be fundamental behaviour of a family.

**-The fundametal principle for co-living in a family-**

(b)**Hence,nation people should become a member of the great family=nation home.**

Then applying the principle to co-living as a family mentioned in (a) could enable living of any nation people. It's a redistribution of bare incomes.

(c)Certainly then minor riches would refuse it,but major poor would support.

It's just a Democratization against Satanization of high status class.

(d)And if any man obey not our word by this epistle, note that man, and have no company with him,that he may be ashamed(The Bible Thessalonians II. 2:14 ).

(e)You could win by recognizing **a truth** which could make unite of all people.

To tell from the very beggining,a truth is an universal common recognition for everyone due to its definition(**logic**).If it were a truth,it's not author's opinion at all.However to say so,this report could not be perfect for a while.

**[5]:A marvelous prediction in the Bible(Thessalonians).**

Proclaiming himself to be the man of **lawlessness**, and the son of perdition;  
who oppose and exalts himself above all that is called God or is worshiped,

**The coming of the lawless one will, by the power of Satan, with all kind of

who perish because they received not the love of truth and be saved.**

**[7]:Save the people in Haiti and in Chile.**

At first, international attention should be oriented to relief the peoples in the  
crises. The 2nd must be toward the war criminal and compensation accusing  
against USA. A crisis must be turned to a chance. The outrageous sacrifices and  
crises must be turned into global and historical regime change. It's our  
decisive duty now and after.

## Appendix1:

27<sup>th</sup> Feb 2010.

Dear Vice President Joe Biden.

Let's must overwhelm in turnning recognition on facts in lowless USA and Japan. USA is extremely singular nation in both aspects of paradise and hell. The latter has been causing from elite's stubborn supremacism rejecting people's co-living (**the war merchant**). However establishing Obama the first Afro-American president is a remarkable challenging of aiming for people's co-living by American who became against the war merchant. In a year late, also Japan established reforming government (JDP) by defeating the long term dictatorship regime of LDP backed up by the war merchant since end of the war. However it's not yet a complete one, but one with the stubborn conservative and **lawless regime** connecting with CIA & US military conspiracy activity in our behind in Japan. Since our nation had been a secret political police one suppressing reforming groupe by various conspiracies including many lowless crimes. Telling it for USA, the outrageous Bush goverment criminal (the worst one is 9/11 own playing terror and illegal Afganistan and Iraq invasional wars) also has been nothing effective accusing. **By anyhow, in order to accomplish those, it's necessary for overwhelming people 's turnning in recognition on truth.** Then do who operate fact information on those ?. Truth for people is due to **Science** education and **Journalism** report. Both of those have yet been manipulated by world wide the merchant. The consequence would cause catastrophic of the world. Please see the serious prediction (pink coloured part) in following site with Google translator.

Then Obama goverment could become whether one failing to save the world, or one recovering truth and saving the world. There still would be hope for the time being.

I don't know well about the war ministry organization, however one of them tell as follows in his website. Now I must ask you what is "if they are not" ?.
