*“War, Trade, and Piracy together are a Trinity”.*

*“The Christian religion was intended to be a political revolution which, when it failed, became a moral one later on”.....J.W.Goethe.*

2016/8/16

Now **hiding** deadly climate(& wealth monopoly) by reincarnated NAZIS USA with WEST ally has been causing global chaos of **perpetual terrors and regional disputes** toward **global mass extinction by Arctic Methane Catastrophe**. The fact is urgent global implementation of 80%CO2cut and Arctic Cooling Engineering.

[http://www.777ture.net/Q-A\\_Die-or-Do\\_Mending-the-Deadly-Climate\\_the-Problem-Solution-Reaction.pdf](http://www.777ture.net/Q-A_Die-or-Do_Mending-the-Deadly-Climate_the-Problem-Solution-Reaction.pdf)

Thereby our emergent task is how to solve the problem in process from deception to fact. Note now America is dividend to **reincarnated NAZIS(deception)** and the anti-Power(fact).

### **[ 0 ] : Outrageous Failure of American having grown up the Grim Reaper !!.**

Authors task is to describe what American will not ,such is trouble portion toward mending. American general has been unconscious slavery who has entirely been deserving to grow up the Grim Reaper the American plutocracy(the emperor Rockefeller with invisible reincarnated **NAZIS** regime).America has been **strong illusion nation** with their outstanding economic prosperity and with outstanding military power. It is which that succeeded not to recognize own slavery status for long.However the time has just come when the actuality begin to reveal the total true ugly appearance. American has been being driven to **work harder** for growing plutocracy and for paying heavy tax (especially for outstanding military expenditure)in following **abnormal terrible mechanism**.,as for which,general American will not debate.Their destiny would be mass extinction,unless America(global)revolution.

\*Note we Japanese are more slavery than American.

<http://www.777true.net/slavejapan.pdf>

\*America is insidious assassin nation while Japan is not. American might think so.

It is not right.Similar insidious mechanism has been operating on after the war.

### **(1)Terrible Job-careless Nation.**

American are not assured their job.Other nations are not.

*The at-will doctrine is not itself a form or component of contract, but rather is the default state deemed to exist prior to any contractual override.*

### **(3)Massive Decline of American Middle Class in recent years.**

The task of American elites(betrayal against people general)at now is entirely conserving the state of mass deception(deadly climate and income distribution)with lie and flattery so long as it possible.Then be careful on emerging fact and violence would be together.

As we can see in the above chart, American business has succeeded dramatically. And the lives of average Americans are becoming an increasing hell of struggling to stay alive.

This is nothing, but nuclear or climate catastrophe. The task of this report is how to avoid the catastrophe by establishing our political solidarity before it's too late..

## [ 1 ] : Why America must take the fatal responsibility ?!!.

### (1) From deception to fact.

If you have surveyed 30 years long climate debates history, also you would agree that after all, none will not take effective responsibility toward the actual effective actions.

Certainly Dr Hansen(USA) was rare who has been telling serious climate fact for long, however even the major climate science society had not become effective actual actors.

US president Obama once called it ***the overwhelming judgment of science***.

If it could have become **effective to act**, it must be also **global declaration of climate war**.

<http://www.777true.net/It-is-Climate-War-Declaration-which-enable-prompt-regime-transition-without-confusions.pdf>

So far authors survey, the most **CO2 emitter** is USA and the most **substantial interceptor** of climate action is also USA. It is also USA who could accomplish **technology** the necessary.

Thus **at first**, **USA** should take the serious responsibility. Of course also **anyone** who has been emitting extravagant CO2 must take the deadly responsibility.

(4) **True small story of The Climate now having become terribly stupid, but terrific !!.**

Once upon a time America, there was an oil merchant, who sold and sold oil to accomplish his monopoly in America with motorization at that time. Soon he had become **emperor**, not only for America, but the world. Now he had **win unprecedented power** against the world. In mankind history, from behind, by **his outrageous wealth power**, he has been ruling **negotiating organizations** as governments, united nation, many international private organization, and **violence organization** military industry complex with CIA.

However he did a fatal mistake so called **climate change** due to massive oil consumption.

In 1980, his research laboratory noticed the fact and they insidiously decided to hide. However such big event could not hide by any means in the actuality. The problem is outrageously too terrific as **mankind extinction**, as for which once again they had made deadly decision to hide. As the consequence, insidious global **climate hiding operation** begun to go on.

The terrific influence at now has reached to mass media, education and research institutions, and the business and political-administration societies in **every fields the world wide**.

In fact, **effective climate mending** needs **global regime conversion** from business as usual.

**Revolution is more terrible than defeating war.** This is nothing, but **mad rulers mind** at now.

***How Close Are We to Nuclear War?*** July 28, 2016

*In 2009, President Obama stood before an adoring crowd in the centre of Prague, in the heart of Europe. He pledged himself to make “the world free from nuclear weapons”. People cheered and some cried. A torrent of platitudes flowed from the media. Obama was subsequently awarded the Nobel Peace Prize. .... It was all fake. He was lying.*

*The Obama administration has built more nuclear weapons, more nuclear warheads, more nuclear delivery systems, more nuclear factories. Nuclear warhead spending alone rose higher under Obama than under any American President.*

(6) Why is it a Japanese who must claim global revolution ?!

(a) Japan has been **political experimental nation** for the WEST ruler. The regional events in the past would be actual global ones in coming era.

\* ***Hitler's marvelous Predictions*** <Following is authors translation from Japanese>

\* ***Emerging new slave class of non-adult ensemble.***

[http://inri.client.jp/hexagon/floorB1F\\_hss/b1fha400.html#04](http://inri.client.jp/hexagon/floorB1F_hss/b1fha400.html#04)

*What feature will future society reveal !, Comrade gentlemen. Let's tell you. At first elite*

*aristocracy would appear by survival struggles. Then also appear "eternal non adult group", that is, new middle class, ignorant public, and new slaves who serve. And top on all of them, new Aristocracy would have been established. Some special leading person would be. Thus, by hegemony struggling, new regime would be established in inner and outer side of nation. Also east region become giant experimental one,.....and then new European social order would be implemented (Words told to Rauschnig by Hitler).*

\*The religious cult Aum attacked Tokyo subway by poison gas in 1995, also so called religious radical attacked twin tower NY in 2001/9/11 USA.

(b) That *revolution is more terrible than defeated war* had caused Abomb hell in Japan. The word by Konoe the Japanese emperor family at that wartime leader had begun **desperate war** with USA, but military retreat from China by Hal note warning. Then military generals had known no winning possibility by **wartime economics anticipation** by economist H. Arisawa. This past regional **absurd event** could be actual in global in coming war & climate hell world. Now D. Rockefeller the USA oil merchant is emperor Hirohito. Note UK supported retro-recovering **kingdom Japan** (1868), and wall street supported **NAZIS establishment** (1933). NAZIS did not die, but reincarnated (op paper clip) as **CIA-military industry complex** in USA.

(c) After all, everything has been connecting with each other from **beginning to end**. This is not matter proved, but **globalist** author's belief due to his personal experience. Telling from very beginning, universe was once a volume-less point (Big Bang), mankind was once created from Africa. After all, we mankind are all African.

## [ 2 ] : Historical Transition from Military to Climate Nation the FINAL JUDGEMENT.

### (1) outstanding military nation against global order to co-live.

Now USA has been **outstanding military nation** in the world by spending more than 500B\$ budget. However their endeavoring would be mere **nuclear suicide** the another global mass extinction at last. It is terrible similarity indicated by frequent domestic **gun violence** in recent USA, which is nothing, but their mind that **trouble must be terminated by violence at last**. In common sense, other nation people should not interfere domestic policy of another nation. However it could be reasonable for those who are the top class bondholder (**China & Japan**).

<http://visualeconomics.creditloan.com/media/uploads/sites/4/2015/06/VE-AMERICAS-DEBT-R21.png>  
<http://grandfather-economic-report.com/debt-summary-table.htm>

and for those once faced terrible damage by **illegal invasion by USA**..Now author had convinced the Tohoku big earthquake with Fukushima NP destruction 2011/3/11 was due to **stealth artificial earthquake attack** against **non LDP government**(Japan Socialist party (1995/1/17-Han shin-Await big earthquake) & Japan Democrats party)by USA special troop.Long years **LDP dictator** after the war has been mapet government of USA.Note such cruel and insidious war criminal is not only against Japan,but also many many foreign nations.The **operation Condor** against South America is famous.Even Europe is not exception,but once the **operation Gradio** had succeeded to rule them by CIA operation.

**[5]:How many people has been being suffered by their long years imperial ruling !!!(p5/10).**

[http://www.777true.net/Opting-big-hell-of-all-in-long-term-for-evading-elite\\_s-small-hell-at-now.pdf](http://www.777true.net/Opting-big-hell-of-all-in-long-term-for-evading-elite_s-small-hell-at-now.pdf)

**American general is too ignorant(unconscious paralyzing)for those terrible criminal of own** against many other nations.While they once were proud nation of justice,liberty and equality.It is entirely **upside down**.Thus American has been paralyzing in strong delusion by the **outstanding prosperity** after the war.

American should know such prosperity is partly due to **big exploitation** from other nations. Thereby author strongly accuse the violence by USA and demand a transition in USA regime.Whether conscious,or non-conscious,they are substantially **criminal** and must be remedied.Then note that the **political transition** is salvation also for American themselves. Unless so,American will not act !.Such they had become aware own nation recently.

Certainly American had been changed their view on own nation after **the 9/11 terror** and sequential **Middle East Nations illegal invasions**,especially by **Lehmann bankruptcy** 2008. Also climate worsened had changed view on massive oil consumption civilization.That is,true appearance of the ruling had been revealed for them by those events.Who really has been ruling America and the world by the visible and invisible violence !!.

It is **the oil emperor aristocracy** ruling multinational corporate-military industry complex. Now in USA,struggle between who are against and who follow has been going on.

<http://www.777true.net/Global-People-Must-Search-an-Essential-Evile-Origin.pdf>

Conclusionary to tell,it's not exaggerate that most of evil both with pleasure and pain in the world had bee caused by USA.The American emperor has been the most worrier for own status,so he

had thoroughly done everything possible for only it<toward ruling for ever>. Thus CIA-military industry complex had become the most strong machine for the emperor. Now they have been manipulating the world by setting ally and enemy (Hoegelian strategy).

(2) **To know both *enemy* and *ownself* could defeat enemy by 100 times (Sun zu).**

(a) **Ruling by illusion.**

It is converging toward **unique and only facts** for making strong massive political solidarity. Note fact is unique and only, which is none's opinion, but an actual reality.

It has been the established commercial media that has been **causing confusion** in people toward **divide and rule** by confusional information. Note outstanding American Civilization with pleasure after the war may have been a kind of **illusion** which paralyze people's mind. Thank to those, America had become no care on substantial plutocracy ruling in domestic, on perpetual war disasters in abroad and on global deadly climate disruption. This is not exception for almost advanced nations who run after America. Maybe **knowing ownself** is to be repentance for those.

(b) **What has they been thinking of ? (*revolution is terrible more than defeated war !*).**

They had known well that they never can win in logic (truth), but by violence (false). Their fatal political failure in economy and climate would become more evident as time goes on (truth revealing). Thereby **Democratization for Civilian Control** by people power toward **Police & Military Powers** would be decisive. Note police men and soldiers are originally also people.

**I : ruling by illusion.**

**II : ruling by Election Fraud.**

<https://electionfraud2016.wordpress.com/>

**III : ruling by VIOLENCE = Police-Militarized Nation toward final WWIII**

<http://new.euro-med.dk/20151216-the-military-industrial-complex-the-hoof-of-the-devil-behind-the-war-on-terrorwwiii.php>

*5> Chaos, war and death must be created all over the World. This is one of the main goals of the KM which is regarded by insiders as the Globalist NWO Cabal. They have an age-old inter-generational Evil Agenda to the maintain\_humanity-georgia-guidestones death of 90% of the World's population and have recorded that in writing and in stone. (Georgia Guidestones – right)*

(c) **It may be exact confidence that make people hero.**

It may be **imminent crisis recognition** that decide people to act. Such supreme problem is told "do or die". Stupidity is lack of **recognition**, coward is lack of **decision** with risk taking. It may be **exact confidence** that make people brave. There are person who try dangerous action, however as for such them, the action is not danger, but safe by their **exact skill**.

It is the **strong confidence** that make them brave. A skill is due to **discipline by research & development**. Powerless is due to division,thereby Power is due to mass solidarity,by which people should build **THINK-TANK** for the **discipline** by research and development.

(3)**THINK-TANK.**

Fundamental function of think tank may be synthesizing exact scenario for coming future.

Plutocrats has **strong think tanks** for analyzing & synthesizing **strategy toward global ruling**.

Their wealth has been investing to those, which turn to strengthen their power(**profit**).It is positive feedback for endless growing of global ruling power,which is nothing,but weakening people power(acceleration of global slavery).This worsened situation must be turned by anyhow.

Also we people must urgently invest necessary think tanks toward global liberation.

People will not follow for what is uncertain,but for what is **exactly to win !**.

Or it could be replaceable to prove that scenario keeping business as usual is toward climate or nuclear war extinction by 99% possibility.

\*UN ,CIA,university,.....,are not our ally,but ....

(4)**Nothing Betrayals could Turn the Upside Down World !!!**(by author).

<http://www.777true.net/Nothing-Betrayals-could-Turn-the-Upside-Down-World.pdf>

Massive mutual trust without betrayal is decisive.

Strong point of enemy is only **wealth** employing massive **subordinates**.

Once they would turn to be against enemy,it would become **revolution**.

Thus win or not has been entirely due to their mind turning.

Then reliable scenario toward **exact win** must be there to turn their mind.

[ 3 ] : the TASK(the summary).

Now,we know **climate regime** without nuclear WWIII for **global climate fixing operation**.

Also we know **business as usual regime** with extravagant carbon energy consumption.

Now they has been operating on hiding worsened climate by perpetual terrors and regional disputes toward WWIII between USA and Russia.You must not be deceived.Then the task for you is how to **bridge** over both regime **in a time**. It is **technically** possible.

<b>CO2 output=33.0±1.8 GtCO2/yr 91%</b> <b>Theoretical Designs on ACE</b>	→	(1)urgent 80%CO2cut (2)urgent Arctic Cooling Engineering(ACE)
<b>LIFE in business as usual regime</b>	→	(3) <b>LIFE in climate wartime regime</b>

Yes,this is outrageous and unprecedented big task,however it is not impossible.

**The most difficulty** is desperate will of the regime conservatism due to the wicked ruler.

Also climate scientists at that time had become desperate for climate mending technology.

Also general people had become desperate due to difficulty with **synchronous paralyzing**.

This is also due to 20 years long COP's failure which caused desperate in massive people.

Note these are consequence of the Oil merchant's insidious conspiracy to hide own failure.

Author has been accusing American,while he admits outstanding American ability which has been disciplined in outstanding competitive and **survival** society. It's last chance for honor recovering with betting global life survivalism.Of course all of us is to cooperate with you.

Note (1)(2) are pure(?) engineering tasks.While (3) is **economy regime design** task.

Note economy regime design is also engineering for maximizing gain with less cost.

Certainly it needs a decisive **ideology** for global survivalism toward co-live.

Or in other words,it is nothing but **the final judgment** for mankind at now.The Bible never wish our mankind extinction,but their **repentance toward co-live**.

**\* Triggering Climate Salvation.**

Once people had actually faced with **war breaking**,change of governance,corporate,and life of all people were **rapid** in wartime regime total .Then note such ordinal war never be global mass extinction,but nuclear one.Note climate war termination is **global mass extinction** of 7 billion people ,while now people will not change at all.It is **upside down**(stupidity=lack of imminent crisis recognition). **It is due to nothing effective notification the warning.**

**How to overcome this difficulty ?**.Now climate science is sufficiently reliable and the **consensus among scientist is substantially 100%**.

<http://www.777true.net/It-is-Climate-War-Declaration-which-enable-prompt-regime-transition-without-confusions.pdf>

It is a diagnosis by a doctor to patient,**who is to die** ,if not accepting the diagnosis.

Thus top down declaration is inevitable.

## **APPENDIX\_1 : Global Climate Governance Design the Overview.**

Climate fixing failure by UN(IPCC-COPs)has been due to **incompetent of the Governance**. Lie with irresponsibility has been ruling on toward global mass extinction within 2050 by them.Governance is a mean to **accomplish the task**.It must be **realizable,effective by less cost**.Thereby **all is due to the task**,which are as follows and are far different from that UN.

**[ I ] : Governance the Function of Task Accomplishing.**

- (1)**TASK PROGRAMING.**
- (2)**Research and Development for the Technology.**
- (3)**The Implementation and the Supervising(feedfoward).**
- (4)**The Review and Improvement(feedback→(1)(2)).**

**[ II ] : Personal Management.**

- (1)**Leader**
- (2)Scientist & Engineer
- (3)Implementation Supervisor and Subordinate
- (4)personal welfare general

**[ III ] : Finance Management.**

- (1)Income management
- (2)Outgo management

[ I ] : (1) **TASK PROGRAMING.**

**I : Declaration on Glolbal Climate War.**

It is War Declaration that enable prompt regime transition without confusions.It is declaration-itself that can accelerate preparation against the supreme climate war of global extinction.

**II : Urgent Implementation of Arctic Cooling Engineering.**

Now **irreversible** Arctic decay has been going on toward Global Methane Extinction,it is which that cause silent of major climate experts,although **Arctic Cooling** can intercept the decay.
