

The Fake France Presidential Election?!!

2022/5/3

In a Time of Universal Deceit - Telling the Truth Is a Revolutionary Act..George Orwell

A tough close battle was predicted in before the voting, and actual not final counting showed Le Pen leading. However the result was Too Much Winning of Macron???, There was a suspicious TV blackout time with counting loss. Pro Le Pen demanded the re-verification, but it turned to be correct. Macron presidency's brutal deeds had made people hate him, so the fact was not winning Macron. We were deceived mass media prediction on his large winning possibility. Also at this time is **fake**, which has been ruling on in the world since the so called religious radical cult attacks in Japan (Aum sarin) and USA (=9/11, 2001). At last the mass fake nation USA had launched Disinformation Governance Board to crack down truth tellers!!!

In TV breaking news on votes counting, there was **suspicious blackout time (90min)**, It could be machine trouble, however TV caster did not refer **the counting loss** in the interval, **which can not be machine trouble !!**.

(2) **The Election Result:**

*At 9.41 am on 25 April, the website of the Ministry of the Interior reports the victory of Emmanuel Macron and publishes the number of votes divided between the two candidates: **18,779,641** for Emmanuel Macron and **13,297,760** for Marine Le Pen*

(3) **The Intentional Inducing Suspicion** in Votes Counting Process:

..... This is the last time we see Marine Le Pen in the lead.

<Le Pen 14,603,774; Emmanuel 14,338,938 >,

"after 90 minutes interval, in which the votes data disappears from the radar",

*In about 90 minutes, Marine Le Pen lost **2,942,663** votes, compared to only **145,231** lost by Emmanuel Macron,*

*The surprising fact is that Jean-Baptiste Marteau reads those data without mentioning any problems that have arisen in the meantime, as if it were normal that **2,942,663** preferences had melted like snow in the sun.*

French election: The ongoing fantasy of electoral fraud

https://www.lemonde.fr/en/france/article/2022/04/27/presidential-election-2022-the-ongoing-fantasy-of-electoral-fraud_5981737_7.html

Unlike the chaos of the 2020 U.S. presidential election, Emmanuel Macron and Marine Le Pen both accepted the results of the 2022 French presidential election. But some people, drawn in by conspiracy theories, just can't let go of the myth of systematic fraud. Fanciful suspicions

Fanciful suspicions

The day after the election, the Reciproc.org collective published a press release acknowledging that "partial analyses do not show, to date, any significant difference with the official results." while sending a letter to the Organization for Security and Cooperation in Europe noting very minor concerns, such as problems of unjust voiding of ballots, widely reported in the press. The same conclusion was reached by Citizen Control, which determined that "their figures were in line with the official figures."

(1) A tough close battle was predicted in before the voting.

(2) However the result was Too Much Winning of Macron????????,

(1) **The Preliminary Prediction:**

The Democracy Institute has found that Emmanuel Macron only has a two-point lead over , Emmanuel Macron=43% ; Marine Le Pen=41%, while 16% undecided(4/19 article) .

(2) **The Election Counter Result:**

18,779,641 + 13,297,760 = 32,077,401 → 58.54% : 41.46%

This is too much winning of Macron, which is largely against the prediction !!!!!

Author try to present circumstantial, but not exact concrete evidence for the suspicion. In the whole views, there were strong anti Le Pen elite power who feared her rising.

(3) In conspiracy, it is well-known, but secret skill "engineering fact Upside Down !"

In fact, Macron's defeat was predicted and they devised a plot, note fraudulent counting machines are famous in both the United States and Japan < [2] (4) >.

At first, intentionally they showed suspicious counting process to cause anger of pro Le Pen. At 2nd they demanded opening the voting box to re-verify, then opening the lid turned no problem in the counting < this is evil engineering >. At 3rd If this happens, the person who raises the angry punching grip will get sick and can't help, but be quiet !.

(4) Once **fraud votes counter** developed in USA had become famous, also Japan has been taking **fake votes counter called Musashi**. Similarly there might be such kind of tool for fake election also in France?. Author can not get exact detail on France,

(5) **The Macron's past brutal deeds against French nation people.**

In 1995, author happened to go France to join NGO climate meeting, however France police intercepted the entrance without legal cause. A week, he walk around Paris and encountered actual spot of *Charlie Hebdo*. *Police is strongly conservative, they were worry on author's accusing Rockefeller the oil merchant. While especially young seems to him seeking some salvation with noticing something coming dark times*

Macron the good model young of wealthy class is told he applauses **way of USA-UK style**. *Charlie Hebdo attack 2015/1/7* had become 9/11 of France which might have accelerated **police state-nization** of France?. Not only 9/11 and the attack, but also Aum shinrikyo Tokyo subway sarin attack in Japan 1995, those were common by **religious cult group**. Author don't know details of France case, but the other two case had **outrageous secret**<APPENDIX_1>.

(a) In the Yellow Vest movement, police violence such as gruesome crackdowns had caused missing persons, many of sequelae, injuries and blindness that may not have been seen in the past history. Some cops disgusted with his own task and committed suicide (a French hates pain of others).[syti.net, etc article](#)

(b) In the vaccine policy, a terrible enforcement policy such as the infamous vaccine passport policy was implemented.

(c) In rising time of NWO ruling, many nation leaders in US ally nation seem not independent ability, but entirely and faithful follower to the power in their behind. This phenomena had become remarkable after rising **Bush the 9/11 president**.

(d) **[Le Pen might win the French presidential election](#)**

<https://tanakanews.com/220422LePen.htm>

This was certain that many French had become despair on Macron in his presidential period.

(6) It may be also fact that the emigration policy is indispensable for corporate owner class to keep low laborer cost. They fear also EU escaping, Muslim fear radical suppression against their culture. Macron might have a possibility to win in final phase of votes counting in major large cities, **However his too much counting is evidently incredible**.

The 3rd time voting would be inevitable ?!!.

APPENDIX_1:Revealing the Behind Fact on the religious cult attacks in Japan and USA. USA is NAZIS birth and reincarnated nation with injustice,lie,and hatred **the God Opposer**. China & Russia are evil role actors for hiding the bigger evil global ruling of USA by violence. Japan after the defeated war may have become experiment laboratory nation of CIA, What once happened in Japan may be to happen in another nation hereafter.

①Aum shinrikyo Tokyo subway sarin attack in Japan 1995/3/20.

https://en.wikipedia.org/wiki/Tokyo_subway_sarin_attack

In authors survey in Japanese publications at that time,(1)(2) were evident.

(1)It could be told the crime was also by **Japan police themselves**,because

In their inner circle,there were **secret detective** of police to search their activity.

It is fundamental duty of public safety police(=POLITICAL POLICE), **The unprecedented attack were executed before their eye**.Then following top important magazine was recommended also by a policeman-*themselves* at that time in author home town.

As the sequence,4 people killed, about 6300 injured and some of them has been suffering by sequelae even at now.At that time,this had become global shocking new.In authors view,they were intentionally and secretly brought up by some hidden,but big power.

In 1991,USSR were resolved to **delete the cold war regime**,which had caused panic for military industry complex USA.thereby they needed make **another new enemy**.

(2)**The police had been neglecting many their lawless cruel crimes until the subway attack.**

One of the sacrifices involves author's high school junior alumni lawyer Sakamoto family.

In 1989, he tried to reveal their crime,which was fatal for Aum and they killed the family.

He once met his mother,but failed to talk about the fact after their dying.He also joined his farewell collective meeting in Yokohama Arena(1995/10),and few days after,police came to my home to ask why you went the meeting.It's author wish to ask them what you are worry?.

(3)In 1995/7,author was attacked by stun gun shot.For a while he lost balance and memory sense in personal names area(in the later, this had become sequelae).Then he recognized a criminal who was surprisingly a neighbor(his uncle is police),however police made another fake criminal.At that time,it is told Aum the cult group was developing various weapon **including stun gun**.After all,the main criminal had fled by police.

In 1995,author concerned with completion of elementary particle theory the unified one.

Petition to USA government(energy ministry)with American Physical society

<http://www.777true.net/Troublesome-Illusion-of-Elementary-Particle-Physics.pdf>

(4)After all, the truth was not revealed in their trial,and they were deleted with a secret in the death penalty(2018,PM Abe administration era).

(5)Singular role of Japan administration elites with the US occupation military.

The Actuality of Being Colonial Nation<=no justice by UN constitution>

<https://www.mofa.go.jp/mofaj/area/usa/sfa/pdfs/fulltext.pdf>

The privileged criminal cases have made a situation that undermines legal justice.Due to administrative privileges, it puts pressure on the lives of citizens and causes unfair situations.

Tokyo university graduate elites are educated also in abroad US(police→CIA,FBI,etc).

They are brain washed and send back to Japan as the violence ruling agent.

Now you must put it mind that the attack was made by a radical religious cult.

Thus the history was to repeat at least twice times in USA and France at that after.

②The 9//11 in 2001.

Not busy **military,doctor and police** is best for us,however they themselves hate it !?!?!.

They commonly have **no-peace tools** as weapon,knife-drugs,and gun respectively.

Thereby,our mission is to make them not busy at all.

It is not that author could have collected exact evidences,but following are summarized conclusion due to data in various sources at that time.However **the cause** may be exact,**the method** may be exact as a whole, but **the exact criminal** is rather uncertain.However it not amateur works,but the operation expert on air plane and bomb **in USA**.

It was remote controlled air planes(=drone) attack against the twin tower by secret troop of US military in order to recover **the military industry** complex having weakened by the cold war-regime resolution since 1991.Then they declared criminal was Muslim cult Al Qaeda.

(2) In 1989, USSR declared own resolution for clearing **the cold war regime** with USA. Then US military industry business (the warmonger) encountered terrible own decline due to losing enemy. Thereby, they plotted 9/11 **toward making new enemy** of Muslim nations in Middle East. The secret troop set remote controlling special bomb and remote controlled air plane for attacking the tower. It was a big show to make **people to hate Muslim criminal, but not notice actual one the secret troop operation ordered by evil top elites.**

They had made Muslim criminal and war against Muslim nations since then. This is insane their fundamental strategy of **perpetual war with setting enemy**. It is not only shame of American who oath truth, but is unprecedented coming outrageous suffer of many many innocent Muslim nation people. This is unprecedented lawless in mankind history. A death of truth (lawless) would cause our order extinction before long. God is justice, truth and brotherhood, while they are injustice, lie and hate in **the upside down world.**

(3) The truth had been sufficiently disclosed to global public by many sources, while **nothing effective justice judgment** against the criminal (the Bush presidency). *A having done crime without justice settlement is deadly benefit for criminal the US elites*

(4) After all, also there was no justice judgment on **fake voting machine in US and Japan.**

(5) **After all, having made this evil history was to cause coming more another deadly global crimes thereafter** → Covid 19 the bio weapon with forcible harmful vaccine,
→ strong fake Ukraine war caused by USA plot with their henchmen,
