

We Had Better Once Die and then Reincarnate Someone New. 2021/9/9

"If you know your enemy and yourself, even a hundred battles become not danger"-Sun Tzu

If you still could not cut off sweet past memory, it would cause you awful future. After all, overwhelming mass of you & me would be killed by the wicked spirit in high place the very few. It is outrageous stupidity. Once we=past must die and then **reincarnate someone new.**

Part I :Why the World Has Become so Unprecedentedly Awful by Covid?

Why Jew has been being so persecuted to encounter **Holocaust**, It not such racial discrimination, but they has been being hated as **Class Struggle History Creators** <Judaism, Christianity, Communism, ...> by **the White Western Rulers**. UK Emperor and US Wealthiest the Highest Hereditary, the Wicked Spirits in High Place. **NAZIS** was funded by US Capitalist and they were reincarnated in USA <**the CIA-Military Industry Complex**>.

Thus the modern(future)world history essence never has been changed<→**Holocaust**>

They have been Satan worshipers of **Deception and Violence**<→**Upside Down World**>

<https://upsidedownworld.org/>

The final aim of evil mass vaccination may be not Covid onset at now, but insidious and cruel global immune collapse <ADE→AIDS(HIV)→Vaccine Holocaust> in coming years later.

Dr. Henry Kissinger's Speech on Eugenics at WHO Conference (2009/2/25)

<https://quasimoto3.exblog.jp/241184972/>

The game is over when the sheep accept the compulsory vaccination. They accept anything (even forced donations of blood and organs) "to make society better". If vaccination is successful, the young people's genes will be rearranged and they will not be able to give birth. ... To "make society better". If you control the hearts of the sheep, you can control them. Vaccine makers exist to make money. And now, many of the people in this room are investors. We are the winners!

Once prince Philipp(UK) told, In the event that I am reincarnated, I would like to return as a deadly virus, to contribute something to solving overpopulation(1988).

Part II :Operation EndGame vs Operation New Z-World. 2020/7/6,8,9,10

<http://www.Operation-EndGame-vs-Operation-New-GWorld.pdf>

This is final struggle between the wicked spirit in highest place(**NAZI ideologue**) and **Global People Awakened**. **Virus Riot** now is the 1st stage of EndGame toward global depopulation planed by NAZI-USA.They decided to execute it in facing imminent **Climate Worsening** causing global foods collapse and the consequence foods riot against **Status Quo Regime**.

Many retired American CEO refugee to New Zealand **the policy complete eradicating virus** .
The nation may be also last resort for **coming methane fire storm world**.

The aim of this report is to describe how to transform the world to New Zealand.

[1]:NAZI Ideologue causing the Upside Down World at now !

Once mankind history was **violence ruling** by king-nobility the hereditary,while Jew initiated Christianity teaching **democracy** of justice,truth and brotherhood toward **co-live in peace**. NAZIS was funded by **Rockefeller**(anti Jew)and was inherited to **Bilderberg** after the war, Their obsessed ideology is the most dangerous white German Eugenics. God is a righteous order(justice,truth,brotherhood),while **Satan is the opposer** causing **the world upside down**.

<http://www.777true.net/Hitlers-Grievous-Prediction-on-Coming-Future-View-of-2039.pdf>

Once defeated NAZIS was to reincarnate in USA after the war(operation paperclip)toward establishing **CIA-military industry complex**.Now they had hiddenly accomplished global ruling by various conspiracy(Operation Condor in South America,Gradio in Europe,..).

(3)In past USA the outstanding military expenditure nation,CIA & US military has been entirely and secretly researching various kind of **war technology** and grievous one **making mankind cattle**<(1)**B**>.COVID19 at this time may be their masterpiece.Now the weapon has been killing massive people and trying to **separate global people's minds toward weaken political unite against the Unique Enemy**.Note **the 9/11** was also caused by them NAZI.

*USA is very singular advanced nation without global standard madicare and social welfare toward **forcing people to work harder**.Owing to such harder work American's big tax, the outstanding military expenditure has been keeping.Now American cinema culture had turned to show **rich violence** seen with high tech props and background.Some American warn and make resistance against such **military nation regime with violence worship culture**.

(4) **Operation EndGame in facing Climate Decay toward Global Extinction.**

(a) **Operation EndGame**

This world has been being ruled by Bilderbergers with Rockefeller the General Head Quater of **NAZIS**. Their final aim is not peace making, on the contrary, to conspire **eugenics world** for the few elite's surviving (**Operation EndGame**).

For the New World Order, a world government is just the beginning. Once in place they can engage their plan to exterminate 80% of the world's population, while enabling the "elites" To live forever with the aid of advanced technology. For the first time, crusading filmmaker ALEX JONES reveals their secret plan for humanity's extermination: Operation ENDGAME.

(b) In 1970s, **EXXON-MOBIL** (the emperor Rockefeller) had noticed, CO2 emission would cause climate destruction. Then they might have decided to conceal it in order to evade change in massive oil consumption regime. Note this is nothing, but *revolution is more terrible than defeating war*. Thereby, it could not help to call them *wicked spirit in high place, which (God opposer) is to cause this world upside down*.

"If the world is upside down the way it is now, wouldn't we have to turn it over to get it to stand up straight?".... Eduardo Galeano,

[2]: **How to Turn the Upside Down World caused by NAZI USA.**

Maybe none could not deny what was told in [1]: (2) **Hitler's Grievous Prediction on Coming Future View of 2039**. Then COVID19 event would be turning point whether we would have been being ruled by NAZI hereafter,, or not.

[2-1]: Covid19 *the Upside Down World*

(1) **Outrageous, Sudden, and Ridiculous World Rising by Covid19 Expanding.**

Unless all people testing (APT), **none could not know who is infected, and who is not.** Thus the sudden ridiculous lock-down world (**assuming all people positive**) had risen in a short time. After all, the very incomplete lock-down with expensive business damage cost could not have eradicated virus, but keep it toward second explosion. Thus no solution at now, but ATP.

<http://777true.net/We-could-Win-Virus-by-Testing-All-Nation-People-in-a-short-Time-&-Expense.pdf>

(2) **Insidious Ruling Power Conspiring not to Eradicate Covid19.**

CIA (NAZI) agent has been ruling Japan after the war. Now many had known clear advantage of APT, while Japan government will not take ATP, but frequently recommend *“new life style with the virus”*. Their temporal lock-down failed to re-increase infected numbers at now. After all, there's nothing prospecting toward virus eradication for recovering normal business.

That is, the government has **no will to assure nation people's livelihoods** (health care and income care by **recovering normal business with nothing virus**). These situations seem not only in Japan, but also in almost nations in the now world ???.

Now for many who once in full life could not imagine that government hereafter could not assure all nation people's life. It is **coming foods shortage** by drastic global climate collapse.

(3) **ATP can Promptly Save the World !!**

(a) **ATP the Actual Case China Wuhan**

The unique exception is China **Wuhan** who once executed **10 million people ATP by 20 days** with cost **12\$/person**.

(b) **Now they talk about Vaccine, however do you know the severe actuality ??**

If virus was stable without **rapid mutation**, the vaccine might succeed, if not it becomes difficult. This is a deep medical problem, but not one for non-experts.

Corona and population reduction (Bill Gates) subtitle version

<http://www.asyura2.com/20/iryo6/msg/198.html>

Now many in the world are accusing Bill Gates the fake vaccine billionaire philanthropist.

(c) **ATP is Easy and Clear Problem for Non Experts.**

<http://777true.net/We-could-Win-Virus-by-Testing-All-Nation-People-in-a-short-Time-&-Expense.pdf>

The unprecedented social chaos at now is only due to simple, but strong fact that **we can not know who is infected and who is not !!, unless All People Testing.** ATP is **paradoxically** rapid, cheap, and above all, safe toward decisive social order recovering !!

(d) **Without ATP, Healthy Business Regions without Virus will not Recovered again.**

ATP clearly can separate people for Medicare and for Business Recovery.

(4)Contribution of Global Virus Riot=**Sharing Common Destiny in a small Planet.**
Almost **at once by altogether**,all of us planet inhabitants were to face strong infecting virus.
Almost half year long,we all are sharing common painful news of the victims.Then note
It is climate now heading toward global extinction hell(far more than virus)that needs rapid
and stronger recognition of sharing common destiny in a small planet.

[2-2]:Climate *the Upside Down World*

<http://777true.net/How-to-sale-the-Climate-Policy-hated-by-All.pdf>

Nothing substantial improvement by scientist with government has been done,but it has
been **entirely becoming worse year by year(all of you know)**.Imminent Climate Collapsing
now has been heading toward fireball earth hell about 2040.Nobel prize IPCC scientist will
not support emergent operation **Arctic Cooling geo-Engineering(the Upside Down World)**.
It's possible in technology , but not by political reasons⁽¹⁾(*the Upside Down World*)

A:Arctic Methane Catastrophe Risk the most emergent Risk at now World.

This is sudden and irreversible gas burst warming toward **fire ball earth** and AMEG(UK)
proposed the Risk evading technology by **Arctic Cooling geo-Engineering.**

(1)How to Save Us by What to Do ??→

Introduction:What has been in Trouble the Most ?

Few can act by logical intuition(science),but most can't act until actually having looked risk.

The latter is fatal to cause too late.However now 2020 is not too late so long as we could
intercept **Arctic Methane Bursting** toward fire storm earth.Also there is drastic,but rather
risky method to rapidly and temporary down the global temperature(**Cloud Making Machine**)

Telling conclusion, there is salvation possibility by **rapid technology implementation**,

However there is no **effective global political consensus** to act due to **the IGNORING.**

**On the contrary,there is silent,insidious but strong invisible consensus in global elites that
no actual salvation in climate,but fake climate political debates<Upside Down World>..**

A: Arctic Methane Catastrophe Risk the most emergent Risk at now World.

In Arctic ocean sea floor, there are massive methane ice **causing fire storm earth**. The intercepting is cooling Arctic ocean by **cloud making machine** for reduce sun heat input, and **shutting down** (geo-engineering) **cooling output strait current**. Make haste not too late !!

The highest priority problem at now is who must decisively take **the responsibility!!**. Now the scientists has been being silent, because they once determined the engineering impossible. Thus UNFCCC with IPCC scientist will not work for climate salvation <**Upside Down World**>

*UNFCCC = United Nations Framework Convention on Climate Change

B: Allowing 2°C is fatal. → Below 1.5°C is possible by rapid 80% CO2 cut by 2020

Recent frequent large scale **Wild Fires** in {US, Russia, Australia & Brazil} is **I can not breath !!** Big forest is decisive lung of earth which can decrease massive CO2. **The brutal polices** are all ultra right terrorists against Climate Fixing.

<http://www.777true.net/100pct-Renewable-Energy-is-Possible.pdf>

<http://www.777true.net/Rapid-CO2-Absorption-with-Mineralisation-of-CO2-by-OLIVINE.pdf>

The highest priority problem at now is that it is technologically possible to accomplish 100% new energy, However none will launch the actually effective realization. That is, none will take the decisive emergent responsibility.

(2) Starting Action by altogether at once is Global Declaration of Climate Wartime.

The highest priority problem at now is who must decisively take **the responsibility!!**. Now the scientists has been being silent, because they once determined the engineering impossible.

(3) CLIMATE EARTH PRESIDENT !!

Who must take the Responsibility? = Global Election on Climate Earth President.

You may say author is dreamer, but also you could not help, but consent it. There is nothing, but this !. UN chiefs do not reflect their **Policy Approval** by global inhabitants. In order to make policy with person evident for all global people, **CLIMATE PRESIDENT ELECTION** by global inhabitants may be best. Candidates could propose his **concrete climate policy** which is to compete with each others toward **revealing and educating climate facts**.

Above all, the president must decisively take the deadly responsibility to intercept global life extinction. Note **the supreme responsibility** must be equivalent with power toward **strong policy implementation to surely win the responsibility**.

He may be also General Head Quarter of **Climate Wartime Military**.

(a) This is outrageously heavy task for president with supporting team.

Only confessing very inconvenient climate facts can accomplish climate salvation by evading methane extinction. By anymore, we can not be allowed to deceive people from deadly climate fact. Without climate fact, no climate engineering would work well.

Just do NOT tell them the monster exists:The Arctic Methane Monster

<http://arctic-news.blogspot.jp/2013/10/just-do-not-tell-them-the-monster-exists.html>

IPCC(UN)has been hiding Arctic Methane Risk the highest priority one.

(b)This is also burden as people's long tough life.

People in advanced nation had become too familiar with **pleasure life**.However it must be turned to tough one for coming decades to survive.

<http://www.777true.net/Accounting-principle-verify-reconstruction-the-Past-Climate-Records.pdf>

Marine and forest natural CO2 absorption would take few decades to reach stable point.

<http://www.777true.net/100pct-Renewable-Energy-is-Possible.pdf>

<http://www.777true.net/Rapid-CO2-Absorption-with-Mineralisation-of-CO2-by-OLIVINE.pdf>

(c)This is severe global management work.

This is climate fixing engineering which needs certain accuracy to complete the target task.

(d)The Two{A,B}Fundamental Operation as Climate War Strategy

(e)Operation{C}:People need stable foods and remedy life,

In coming climate wartime,**global scale foods security** may be the highest priority task.

<http://www.777true.net/Life-Assurance-by-National-Strategy-in-coming-climate-WAR-TIME.pdf>

[3]: Coming Awful & Ugly World heading toward Extinction Hell.

Hereafter is worst case scenario anticipation by assumption on **conserving now regime**.

As was told in **[1]**: ,it is ruling by NAZI USA whose ideology is **supremacism** by nobility hereditary<Rockefeller and Imperial UK>.It is strategy *weak should die,while strong survive*.

(1)Aim of Global Virus Spreading is destroying intimate Aural Democracy in facing Climate Worsened Time when foods security would become worse year by year..

That is,a nation would become impossible to assure all nation people livelihood anymore.If one carefully and sincerely research coming era of climate worsened time,also you could notice it.Now many has been neglecting coming unfavorable inconvenient fact in pleasure life at now

(2)Thereby they plot something causing mutual killing in people toward ugly and awful world.

(3)Dynamics of People's Social Behavior may be positive feedback.That is people's good deeds between them enhance good deeds toward good co-living.While it would have once become bad,society would go toward more bad as time goes on.

APPENDIX-3: The Business as Usual Has Been Killing You !!!.

After world war the 2nd, the world had accomplished unprecedented prosperity (with unprecedented economic classification by imperial exploitations) in matter civilization, people in advanced nations still has been living unprecedented pleasure life (*it is so to say a drugged not to awake*) with invisible, but outrageous damaging earth environment. Now has become time to *pay outrageously awful and painful compensations*. Thus we ourselves the haughty must once have died and reincarnate someone new. Above all, highly educated are dangerous not to change due to strong believe in *established* science, technology, and business. Those are not complete, but *wrong enough to cause today's disasters*. For such people, try bungee jumping.
