

## **Your Possible Opting is only REVOLUTION !,or EXTINCTION !.** 2018/02/04

Author show you the validity in simplest,but exact way in following. Note the world has been being ruled by madness of the ruler(NAZIS).Also ourselves is not normal,but very crooked. This is counter strategy to operation EndGame the exterminating mankind by **climate hell**. Technically salvation technology 80% renewable energy and Arctic Cooling are possible. Now initiating force to real global political action has been being not realized by discords

(1)Religious Revelation from Almighty World has decent scientific validity.

Nothing vacuum(the other)world is also nothing physical law(**almighty<sup>1)</sup>**).Religion were revealed by Prophecies due to **almighty(God)**.The teach is people's co-living with justice, truth,brotherhood in **Peace**.While monarchy is **Nobility Supremacism with Violence Ruing**.

(2)Mankind history is class struggle between atheism(~NAZIS German) and theism(~Jew) .

(3)**Rockefeller<sup>2)</sup>** oil merchant-the USA empire supported NAZIS establishment to massacre Jew,and secretly imported NAZIS to establish **CIA-military industry media complex (the warmonger)**after the war.They succeeded in ruling South America(op Condor), Europe(op Gradio),Asia,and Africa,but not Russia and China(??),but it is incomplete.

(4)EXXON-MOBIL the oil emperor noticed **Global Warming by CO2** in 1970s and decided to conserve oil regime by operating **IPCC**(UN climate science council)and **opinion org leaders**.

\*They managed UN CO2 reduction conference(ugly 20 years long)impossible to cause political desperate.Effective problem is not to reduce carbon energy,but increase renewable one !!

They also succeeded not to reveal **Arctic Methane Risk<sup>4)</sup> the most emergent problem now**. It's **climate A-bomb** causing sudden strong global warming toward final fireball hell earth !!.

(5)Also business world & people in pleasure life by oil regime hate change by **ignorance on climate extinction risk**.This is **deadly global synchronized momentum<sup>3)</sup>** even at now(2018).

(6)Also religious churches seems silently accept coming doomsday?.It may be defeat of religion,because they failed **repentance**(=**REVOLUTION** toward righteousness).

(7)That is,*if we all consider the outrageously big difficult change impossible,it would really be impossible, while if we could consider it possible,it could be possible*.Author found it technically **Possible** by rapid action(80% new energy and Arctic Cooling engineering<sup>4)</sup>).

(8)Climate decay toward hell is secret operation to exterminate mankind by supremacism.

Now **total nuclear war threatening** has been ruling world by perpetual regional wars and disputes due to conflict between USA and Russia-China.However they will not launch nuclear war,because it would cause **complete extinction**,while Methane fire storm would not cause complete extinction<sup>5)</sup>.This is final survival game operated by the supremacists. You must see **now the world is upside down** due to evil ruling by the supremacist and to **ourselves deadly crooked mind** not to accept inconvenient,but deadly decisive fact..

\* Author's reports in above may be not complete due to his inability,however those could be near complete by your strong supports.Then theme of this report "Our possible option are only extinction or REVOLUTION" is exact.Certainly climate salvation is unprecedented and outrageously big project,however coming climate hell would be more cruel than anything else. Once we honestly faced facts,we could overcome those by global ability. **Bet it !!!!!**

The Ruler has been **against theism** which teach people's co-living with justice,truth,and brotherhood in peace(the righteousness),thereby,the world is to becomes upside down.

In fact,now the world has substantially and secretly been being ruled by **very few hereditary family**. "**1% rich monopolize 46% global wealth !!**". It is outrageous monopoly!!!.

Once mankind was animal of thieves and wars.It is historical Jewish people who tried to lead and liberate the World from **emperor's barbarian violence ruling** toward righteous one by democratizing due to religion(people is equal in God).It is historical sequence of Moses, Jesus to Marx.Substantially monarch turned to be capitalist monopoly in modern era.

#### **(1)Police State the Anti-Revolution Device<Betrayal caused our defeats>.**

People's becoming stronger in political power needs rigid solidarity with leader of ability.

**Weaker people is too busy to save only own life**,but not afford to care for many others.

The state is called "**divide and rule**" in colonial nations".Anytime **political police**(or similar function)Is surveying **revolutionists** to protect regime by spreading spy(**betrayal**)in people..

#### **(2)Strong Brain Washing for anti-Socialism in USA<Salvation is only Repentance !>.**

American has been being strongly brain washed to appreciate the capitalism success (American Dream),but not socialism.Once America was called show window of capitalism due to unprecedented prosperity of material civilization by establishing strong competitive business society.While communism Russia was rather poor and less in liberty.It is told the cold war regime caused strong economic suffer in USSR toward its liquidation(1989).

American prosperity was also due to **the imperialism exploiting** in ruled nations in the world. It is intentional making poorer economy nation who produce cheaper goods for USA. Thereby there has been strong anti-USA movements in those nations, and USA has been suppressing them by employing insidious CIA and military interference. This is to cause **the upside down world**. Those conspiracy technology is due to NAZIS (operation paperclip). America is **NAZIS reincarnated nation (the warmonger)** causing global suffer in everywhere.

These are awful mad devices to protect highest status regime of ruler. Their strong desire is extraordinarily only to conserve own hegemony, for which they have been entirely endeavoring.

**Operation EndGame.**

*For the New World Order, a world government is just the beginning. Once in place they can engage their plan to exterminate 80% of the world's population, while enabling the "elites" to live forever with the aid of advanced technology. For the first time, crusading filmmaker ALEX JONES reveals their secret plan for humanity's extermination: **Operation ENDGAME.***

<http://netattic.net/unbelievable/operation-endgame/>

<http://www.youtube.com/watch?v=x-CrNlilZho>

Thus American themselves must recognize own schizophrenia, but not normal.

Substantially it is USA who has been accelerating destruction of us in military and climate.

Now their elites have been too busy in conserving evil regime causing our extinction by

**ignoring decisive inconvenient facts of climate and false flag war and terror by CIA.**

\* Higher status white people is generous to support for someone who seems inferior in something (This is a kind of stable relation who rule and who are ruled). But not for who seems superior in something (fear for becoming **rival** especially threatening to their status). Elites become **Satan** who face own status decline <**defeat in class struggle** → **Appendix2**>. This is the kernel point **whether elites could accept own status decline or not!**. This may be essential repentance problem or **REVOLUTION !**.

(3) **Massive Sharing Strong and Unique Belief toward Strong Solidarity<Religion>.**

Function of religion is to accomplish unique belief on God's teach toward believers strong solidarity in political fight against social problems(injustice or difficulty). **Sharing same God in mind make people's strong unite(brotherhood).**

(4) **Massive Sharing Strong & Unique Agenda toward Strong Unite<Democratizing>**

Function of political party(org) is to accomplish unique agreement on their agenda toward members strong solidarity in political fight against social problems(injustice or difficulty). Sharing same strong ideology in mind make people's strong unite(brotherhood).

(5)As were seen,Religion and Democratizing movement are essentially the same in the purpose and method.Once Marx is told to tell Religion is drug,but it is upside down. While some religious leader avert political joining,which is not entirely correct.

Then essence may be **ideology(policy)**for which massive people can share to make unite. Fortunately **best ideology** may be unique and only.

(a)A solved scientific fact is unique and only.

(b)Engineering(technology)may be unique and only in evaluation of **performance/cost**. Our life is **economy** which is essentially engineering with an ideology.

(c)View on way of people's life.

In ordet not to be author's opinion,he always suggest teach of Religion.Those are people is equal in God and with justice,truth,and brotherhood toward co-live in peace. These are against **the supremacist ideology** causing **our world upside down**(Appendix3)

11. We created you, then We shaped you, then We said to the angels, "**Bow down before Adam;**" so they bowed down, except for Satan; he was not of those who bowed down.
12. He said, "What prevented you from bowing down when I have commanded you?" He said, "**I am better than he; You created me from fire, and You created him from mud.**"
13. He said, "Get down from it! It is not for you to act arrogantly in it. Get out! You are one of the lowly!"
14. He said, "Give me respite, until the Day they are resurrected."
15. He said, "You are of those given respite."
16. He said, "Because you have lured me, I will waylay them on Your straight path.
17. Then I will come at them from before them, and from behind them, and from their right, and from their left; and you will not find most of them appreciative."
18. He said, "Get out of it, despised and vanquished. Whoever among them follows you—I will fill up Hell with you all.

*What feature will future society reveal !,Comrade gentlemen.Let's tell you.At first **elite aristocracy** would appear by survival struggles.Then also appear "**eternal non adult group** ",that is,new middle class,ignorant public,and new slaves who serve.*

*They are mankind who can not be adult till their death.Such event never happen in normal severe society.Therefore there would be abnormal society who bring up child by easy ways. And top on all of them,new Aristocracy would have been established .Some special leading person would be.Thus,by hegemony struggling,new regime would be established in inner and outer side of nation.Also east region become giant experimental one,.....and then new European social order would be implemented(Words told to Rauschnig by Hitler) .*

● Following are prediction told by Hitler [**After 1999**, Syodensha Pub Co , Japan].

...”separation of the extreme would be more advanced. After 1989, mankind separation would have advanced more and more as very minor new type of ruler and as new type of massive ruled. One operate everything, while the others are ruled all with unconscious. It is not only mankind, but also globe with universe would go into big change. After 1989, mankind would go access toward unprecedented big Catastrophe. Once in my young age, I wrote it that **mankind would be revenged someday by big nature** in “Mein Kampf”. It is era after 1989. Mankind had become boast to do harm against nature, which would turn to cause big disaster as the revenge against mankind. And finally it would lead mankind toward **supreme unimaginable state** . It is after 150 years from my birth. The coming supreme event can be seen clearly by my-self inspiration, even though, it is unbelievable..... In the end of 20<sup>th</sup> century, it would be **substantially ruled by NAZISM** even though its superficial seemed ruled by democracy or socialism. Coming world would be separated to who rule and massive who are ruled, as is my hope, and both nation of democracy and socialism would go competition and killing with each others by employing weapons developed in NAZIS. It is also convulsion era of nature. Mankind would be terribly revenged by nature. Also **climate would be separated into two** of sever heat wave and sever cold one, fire and ice, big floods and big droughts. Those would alternately attack ground.

.....  
\*) 1989, J. Hansen testified CO2 global warming in US congress , Falling of Bering Wall.

**Global warming is inevitable and 5 billion until 2043 , , may die if nothing is done in time , and they are hidden from worldwide population .. says Jocelyn Luz**

<http://www.jucelinodaluz.com.br/aquecimento-global-inevitavel.htm>

He may be only one who could have image of **5 billion people die**. The coming 2043 would not be due to CO2 global warming in rather slow tempo, but to rapid collapse by Arctic methane catastrophe.
