Those were almost synchronous with the [Kikai caldera eruption](#)(7300ago Japan).

3:23: **Ancient 1 World** "was advocated by Dr. Barry Fell, who served as president of the American Epigraphy Society,, these megalithic civilizations were spread all over the world by the same ancient ethnic group, a maritime people called Laputan. According to researchers, the Laputan were active from about 10,000 to 5,000 years ago, and are thought to have been based in ancient Japan.They used their excellent high voyage technology to travel around the world, using ocean currents such as the Kuroshio Current and the Yashima Current as roads<this is site's opinion,but not by the Dr Barry Fell>..

Most of the scientific world rejected Fell's work as pseudoscience.

In the ultra-ancient culture, the world was one. Ancient One World.

"Megalithic culture was spread all over the world by maritime peoples," said the late Dr. Barry Fell, Ancient One World, the ancient world was one civilization.

[2]: THE ANCIENT VOYAGE TECHNOLOGY <by not expert author opinion>.

Above hypothesis entirely depends yes or no on THE ANCIENT VOYAGE TECHNOLOGY.

も、古事記、日本書紀の冒頭部分で「葦船」の記述があることから、古くから一般的に使われていたといわれています。実は古代から現代まで、世界各地で馴染みのある船です。

A Hypothesis on Ancient Voyage between Sumer(Iraqi) & Jomon(Japan).

Ancient **wondering people** was not same as modern us, but psychic the shaman?, By the Kikai caldera big eruption(7300ago), some Jomon people had to emigrate to somewhere warm southern regions,, Sumer by the **reed boat long voyage safely along sea coasts** with frequent landing for fishing, fruits picking and mending boat at rivers(**reed swamp**), etc.

[Darkness of History] The roots of Japan concealed by GHQ - What is the forbidden truth of the controversial work that was banned? [Urban Legend Mystery]

<https://www.youtube.com/watch?v=pR1z1TXarqs>

The occupying army GHQ tried to erase history of the come backing Sumerian Japanese having become dynasty and their ruling culture <myths, legends, ideology and rituals>. However, the **Umasichi dynasty** was wiped out by the eruption of Mount Fuji, and the subsequent imperial dynasty also completely concealed the history of previous dynasty.

Japan was the world's oldest civilized nation. The mystery of the Jomon's advanced technology and the hidden fusion of two great civilizations [Urban legends, mysteries]

- (1) Ancient mankind birthed in Africa emigrated to north regions due to various cause.
- (2) A possible cause is mankind universal **worship on east of rising sun** all the source of gift. As the consequence, **ancient mankind gathered to Japan** the final edge region in north east. Then they established **class less society** of 10000 years long peace without war. It is told they love circle of equality and worship every nature with the spirit.

(3) **Sumer**

<https://en.wikipedia.org/wiki/Sumer>

Sumer was first permanently settled between **c. 5500 and c. 3300 BC** by a **West Asian** people who spoke the **Sumerian language** (pointing to the names of cities, rivers, basic occupations, etc., as evidence), a non-Semitic and non-Indo-European **agglutinative language isolate**

(4) They were **a culture of fishermen** who lived in reed huts in the swamps and are thought to have been the ancestors of the Sumerians

Early Jomon period 7300 to 5500 years ago

<https://mb1527.thick.jp/joumonzenki.html>

(5) **Kikai Caldera Eruption (7300 years ago).**

Jomon people who lived in southern Kyushu seem to have been wiped out by this pyroclastic flow. Some of Jomon people lived there ,survived and moved to other regions.

(6) **Situation Overseas**

What was happening overseas when the Kikai Caldera eruption (7300) occurred?

Around 7500 years ago, the Sumerians started farming, and civilization was just beginning in Egypt around 6500 years ago. In mainland China, irrigation farming by the Yangtze River civilization began around 6500 years ago. **It can be said that this was the time when one of the world's oldest civilizations was just beginning.**

PS:Also for author the non expert,it is not known the actual origin of Jomon (original Japanese) who are told people having established long years **class less society**. This is the most outstanding history in the mankind one.Because,after all,mankind could not have accomplished **class less society,but** substantially class one now ruled by the few nobility hereditary(DS),which(**class society**)had to be corrupted by **the strong deception** (employing overwhelming **pleasure seeking decadent** society) due to the evil ruling . Thus we had to encounter 3rd times again wrath of God in 2025.

***people deceived** now are called *Z generation(the children of extinction)* who are to be awoken by paying outrageous sacrifice in coming wrath of God in 2025.

☞; This PS had been written before having read following site.Note **the similarity** !!.

APPENDIX1: Atlantis the 1st civilization is a historical fact.

Civilization created by humans and the Earth now collapsing, 2020.10.02

The current land resembles the time of the sinking of Atlantis

*In the past, when humans developed advanced civilizations and reached their peak, natural disasters always occurred. The sinking of Mu, Lemuria, and Atlantis is not a legend or a product of imagination, **but a historical fact.***

As for the author.:Since childhood, I have been interested in the mysteries of "life". In my twenties, I went on a journey in India and had a near-death experience. Since then, I have been thinking about the connection between the universe and life. Currently, I am working hard to get closer to the mysteries of life in the universe through writing!*

Why did the Atlantis civilization collapse?

<https://uchunotane.com/tag/%e3%82%a2%e3%83%88%e3%83%a9%e3%83%b3%e3%83%86%e3%82%a3%e3%82%b9%e5%a4%a7%e9%99%b8/>

The change from the last century to this century coincides with the change of flow from the Age of Pisces to the Age of Aquarius.In the Age of Pisces, the theme of civilization was "conflict." The energy theme of the Age of Aquarius is "harmony."

Similarities between the Atlantean civilization and the current civilization.

*The Atlantean civilization was a civilization with advanced scientific knowledge and technology, and **a hierarchical society**. As a result, **entertainment** for the lower classes developed.This huge empire of Atlantis was destroyed overnight.*
