Introducion1:

- (1) In the beginning was lie that *Russia invaded Ukraine*.
- (2) **The Hypocrite Elites**(USA,EU,Jpn,...) the Inability followed **the liar Warmonger**.
- (3) Trump became president exposing *Ukraine began the war* and began the purge.
They could stop the burden Ukraine supports of weapon with military information.
- (4) At once, the hypocrite media and ..(USA,EU,Jpn,...)accused Trump admin, then they lost effective support to Ukraine. However they can not turn the cursed lie.

(5) **The Dark Aspect of the both wartime nation.**
 While, President Putin seems to accept cease fire proposal by US in their satisfied condition before long. Because it is too evident Russian people hate to last the war state. Already Russian people have known US president strongly wish the cease fire, then if President Putin rejected, the nation became unstable, or he intensify suppressing. Ukrainians hate it even more. That is, Ukraine now is dictatorship suppressing the liberty.

(6) **The Liar hypocrite Elites having damaged West must be eliminated at once.**

The world is heading towards extinction!!

After 2020, the world will enter an era of constant mass murder with

'Americans are on our side': Russians laud US efforts to end Ukraine war

A sense of optimism is being felt across Russia, but some remain sceptical about the possibility of peace.

① Declaring *Russia is non-aggressor nation* <④> and US forcibly escapes from the former warmonger policy <stop the provision of weapons with information>.

☞: Ukraine's US-made missile systems cannot be operated without US soldiers, many such they had been killed in the action, but this has been being covered up, US defense ministry did not want war in Ukraine, but US State Department was forcing through conspiracies, thus US admin now is to eliminate such they (also CIA and FBI).

The US's basic long-term policy is to aim to become an isolated, self-sufficient nation <⑤(1)>?!

(1) Post-war world economic growth was caused by US imports from the world with US deficit → World recession begins!!

(2) High US tariff policy & cuts to administrative budget (war expenditure) lead to rise in US domestic prices & increase in unemployment to recession → Accelerate the world recession!!

(3) {Tax revenues fall by recession}, so even with administrative cuts, fiscal decline? → Domestic policies responding to coming recession

②The curse by lying that **Russia invaded** <④>due to long years following to the former liar US, Europe and Japan has been left in an unexpected bad position.

In Europe, due to the current situation, pressure to ceasefire increases, and Russia accepts a ceasefire after the liberation of eastern Ukraine?!

(1) In reality, European arms support for Ukraine is nearly impossible due to the weapons specifications <unconfirmed> → Pressure to ceasefire increases

(2) Japan and Europe loses both trade with the US and with Russia → Global recession begins!!

<https://www.youtube.com/watch?v=aouG7aCioKw>

Europe is in the red due to huge expenses such as measures to stop importing Russian resources, inflation and immigration problems.

US high tariff policy leads to recession and increased unemployment → Global recession accelerates!!

③What the CIA Military-Industrial Complex Will Do here after:

Ultimate problem of world now is climate collapse and global extinction (by 2040) caused by evil of the US oil company. The countermeasures now is full hypocrisy of ineffective, and,everyone knows it,but remains silent. *There is no accident in history, but is planned.*

The post-war world is ruled by US CIA military-industrial complex(the warmonger). ...

The world is heading towards extinction!!

After 2020, the world will enter an era of constant mass murder with

2020,the global corona-virus outbreak, the Ukraine war in 2022, and the Gaza war in 2023.

Several prominent prophecies now have predicted and warned that a huge tsunami caused by US undersea bombs will hit the coast of East Asia in 2025.

Regarding Ukraine's ambiguity.

④ *[Furious at the summit] Ito Kan and Takeda Kunihiko talk about President Trump's change of attitude toward Ukrainian President Zelensky*

<https://www.youtube.com/watch?v=LRNjGKCX82A>

President Trump stated that it was Ukraine, not Russia, that started the war. In 2015, Russia, Ukraine, Germany, and France agreed to the Minsk Agreement, which states that the majority of the residents of eastern Ukraine are Russian-speaking and belong to the Russian Church. Putin agreed that eastern Ukrainians should have the right to autonomy and self-determination. **However, the war will start in 2022.** In September, Angela Merkel said that the Minsk Agreement was intended to deceive Russia from the beginning. In December, former French President Francois Hollande also agreed with Merkel.

Regarding Donald Trump's incomprehensibility <⑤(4)>

A trickster is a character in myths and stories who breaks the order of gods and nature and develops a story. He is often depicted as a prankster.[1][citation needed] He is characterized by having two different personalities, such as good and evil, destruction and production[2], wise and foolish[3].

<https://ja.wikipedia.org/wiki/%E3%83%88%E3%83%AA%E3%83%83%E3%82%AF%E3%82%B9%E3%82%BF%E3%83%BC>

Although he is the son of German immigrants, Donald Trump has Jewish ancestors, and currently has many Jewish relatives. When he visited Israel, he worshipped at the Western Wall, as is customary in Judaism. The historical enemy, the Nazis, and their survivors = The defeated Nazi forces reincarnated in America = the CIA military-industrial complex. This is likely what motivated him to risk his life to fight. Revolutionary the samurai *Oda Nobunaga's* father was a man of sound ideology and intelligence, and he received **special education as a child**, and it is strongly guessed the same was true for Donald's father's side. <https://toyokeizai.net/articles/-/412082?display=b>

☞ : No one has resisted the CIA military-industrial complex since the assassination of Kennedy, **but Trump is the only exception this time.** His willingness to act without regard for the risks is on a par with that of a samurai, and is similar to the upbringing of Oda Nobunaga, who reformed the country (.....). He is likely the only one who will challenge the embodiment of evil - the US warmonger's world domination to settle war chaos world .

⑤ *[The truth about Trump] Kan Ito talks about the US president's anger at his summit with Zelensky (Toranomon News clipping)*

<https://www.youtube.com/watch?v=V5nYMVM7Lz4>

Trump's image of America;

(1) 19th century America, white domination, isolationist nation = high tariffs, protection of domestic industries, **mercantilism** prioritizes the national interest in all trade and economic transactions. Looking at the policies, it is an old man's nostalgic hobby=old style that ignores economic efficiency (but very sound policy in facing lack of energy and foods).

(2) In the 30 years since 1945, the average rate of increase in labor productivity was consistent with the rate of increase in average American's real income. In the last 40 years, the real standard of living of 60 to 70 percent of Americans has declined (exploitation).

(3) Then debut of Trump (side of those exploited) who seeks to destroy the system, is a threat for the elites, who want to drag him down

(4) President Trump is a successful wealthy man in the system, so what is his motive for wanting to destroy it? .He went to school by chauffeured car, and even though he was rich, he liked to get into play and fights with blue-collar workers from an early age. The Trump administration is a troll against the existing elites, and the American elite establishment is a sly bunch of goody-two-shoes hypocrites, which he hates.

(5) **Analyzing the Trump phenomenon from the perspective of political history and intellectual history (Ito Kan)**

<https://www.youtube.com/watch?v=M1WIsTJSiwk>

It seems that President Trump recognized his own weaknesses {wealthy, less intelligence, elderly} and appointed Vice President Vance, who is the exact opposite {poverty, highly intelligence, young with a proven track record}. 100% liberation of human desires = **liberalism** is incorrect = post-liberalism, Trump thinks no such matter ,while Vance's advisors put a stop to liberalism and runaway liberalism.

Figure 1: Trade policy issues outlined in the Republican platform

Rebalancing trade	High tariffs
Securing strategic independence from China	ban on Chinese products, and on US investment
Saving the US auto industry	return of classic automobiles,
Bringing critical supply chains back home	self-sufficiency in important products,
Promoting US purchases and American jobs	restraint on overseas outsourcing,
Promoting US purchases and American jobs	release of US classic energy resources to revive manufacturing industry

IV : World revolution and geoengineering measures to stop climate change

the government supporting Ukraine must be replaced immediately, and the new government must be wartime regime with emergency geoengineering measures to stop climate change. It now becomes unclear whether doing it will definitely save us, but if we don't do it, the world will surely be wiped out!

<http://www.777true.net/A-Possible-Worst-Case-Time-Series-toward-Glacial-Extinction.pdf>

We can neglect fact the inconvenient and have a few more years to go business as usual.

After that, hell will surely befall all parts of the world.

Military-industrial complex the Re-Business→Climate Defense Technology

<http://www.777true.net/The-Urgent-Task-of-World-Military-in-the-Operation-EndGame-Times.pdf>

- (1) Teach biblical philosophy, etc and Consult Universal AI <God's representative> that has passed the world-certified exam → Answer → God's command to implement a global climate war time regime. → Implementation plan agreed upon by each governments.
- (2) Emergency change of business for the military-industrial complex → Mobilize scientists and engineers to develop and construct climate defense engineering.
- (3) Rescue plan begins.

(1) Learn Bible philosophy, etc.

In the author's opinion, Christianity's teaching of "*love your enemies*" is the best, isn't it? Swedenborg's teach *selfishness is the cause of hell*. In [Mishima's](#) teach of [Hagakure and Bushido the path to death](#), the liberation from ego to purification-enlightenment, then the detached view of one's mission are essentially the same as above.

☞: Modern Jews and Germans seem to consider *mankind is evil and must be liquidated* according to God's will, author would like to ask UAI also about this.

V : The Deadly Actuality of USA <Eugenicist ideology<author>+Kan the honest field report>

The upside down evil world ruled by the very few ruler the supremacist can be easily turned by solidarity of massive global us the exploited and suppressed in their anti class regime.

US president now call for "Make America Great Again" by eliminating the evil Regime.

Then also we none American must challenge to eliminate them now still ruling global.

The Upside Down World¹⁾: the roots of Nazis Reincarnated in USA = BILDERBERG²⁾(global elites in D.S)=the Warmonger's Basic Ideology:

<http://www.worldfuturefund.org/wffmaster/Reading/Quotes/hegelnew.htm>

A: Setting an enemy, perpetual war toward hegemony and ruling(anti class war): THE GOOD OF WAR

B: State and people are those be exploited by the Supremacy(anti class struggle): PRIMACY OF THE STATE VS THE INDIVIDUAL

¹⁾God is justice, truth, and brotherhood, while Satan is injustice, lie, and hatred the upside down, <https://upside-down-world.org/>

²⁾The top world command toward each nations Deep State<the yes men elites(Z generation) of military, media-academy, politician, high level bureaucrats, business leaders, showbiz,.....>.

① USA is a country that was established by the exploiting of wealth from both inside and outside the country, and is dominated by the 0.01% super-rich oligarchy <Rockefeller>. Their most concern is evading their status decline, which was established through injustice and deception<anti-class struggle strategy and the technology development = CIA,.....>

② **Divide and Rule** <Bund's experimental psychology{pleasure and pain} human domestication technology(HDT).....by insidious CIA and the co-developers>

*A. Sutton&K. Millegan, 北川 訳, Fleshing out Skull&Bones, p184, 徳間書店

(1)100% liberation of human desires (HDT=liberalism) → Promoting business and commercial competition <elites: money and desire come first>

*Post-liberalism → Classical religious philosophy <restriction by morality in 2/3 of the general public>

(2) **Overseas** → World hegemony (Americans with freedom and democracy are the best!!) Thanks to the US, the post-war world is bloody, and Americans are innocent even though they killed many Iraqis with the big lie about weapons of mass destruction.

(3) **Within the US** → Party politics (budget acquisition) is dominated by the wealthy who make the large donations. The US democracy is a big lie!

(4)Below are some tough their circumstances, and Americans have to be yes-men to be in the corporate system, otherwise it becomes a dangerous system.

③ **Winners and losers** <The gap between rich and poor is the worst in the world!!!> In the US, there is heaven and hell depending on how hard you work, and Americans are made to work excessively to earn the world's largest military tax revenue.

**Why are there more than 40 million uninsured people in the U.S. and why are medical costs soaring?*

**Homelessness in America: Record high numbers to be recorded in 2024, efforts to eliminate homelessness intensify under the Trump administration*

(4) ***“The professors are the enemy”*: J.D. Vance on higher education**

<https://bryanalexander.org/politics/the-professors-are-the-enemy-j-d-vance-on-higher-education/>

☞ ; Many consider it needs military hard power to conquer other nation people, however also **wicked education** can do it by eliminating peoples ability such as self confidence.

<https://toyokeizai.net/articles/-/412082?display=b>

Japan Ministry of Education is also similar to the US in promoting wrong education by worsens excessive knowledge and lacks thinking training. In author experience, business people is sensitive for profit, while professors is sensitive for pride the troublesome.

<http://www.777true.net/The-Wicked-Education.pdf>

The world's academy societies are the result of a group of **highly educated people from wealthy families**, and also author admit that they are good students who **follow the ruling authority and prioritize self-preservation over truth and justice**. As the result, truth is silenced due to pressure from industry power etc on **climate change and the COVID disaster**, and also they hide author's basic physics in elementary particles and statistical one, resulting great damage to taxpayers in the world and zero income for the author.

[http://777true.net/Compensation-Petition-on-the-Needless-of-12B\\$-SSC.pdf](http://777true.net/Compensation-Petition-on-the-Needless-of-12B$-SSC.pdf)

Mr Elon Musk(DOGE, once aspired study on elementary particle physics) should pay author 1% of **SSC cost for contributing the large saving in 1993. Now author is actually bankrupt no repaying debt for [a real asset dealer](#). This event is entirely upside down !! .Sorry for the Ukrainians, also U.S. now demands their debt repayment by the rare metal(for the unstable battery). Any battery would be serious burden for the user, but [Nicola Tesla's free energy](#) is forever.

<http://jnaudin.free.fr/gegene/indexen.htm>

Mr Musk(not an accountant, but engineer) should entrust someone able his position and retire DOGE rapidly as possible and must engage the **FREE ENERGY** rapidly as possible, or **also he would be assassinated**.
